The economy of Punjab has been severely affected by the COVID-19 pandemic. vaccine/Covishield : India has approved the AstraZeneca vaccine developed by Oxford University and manufactured by Serum Institute of India ae79665cfd

The COVID-19 outbreak in Assam has been traced to persons who attended the conference of the Tablighi Jamaat religious organisation at Nizamuddin Markaz (Delhi) and did not report to the authorities after their return to Assam. Out of the total patients of COVID-19 in Assam - 37 are either attendees or contacts of Tablighi Jamaat. The COVID-19 tally in Assam also shoots up due to some pilgrims of Ajmer Sharif Dargah (Rajasthan), who arrived in the Silchar city of Cachar district by bus on 6 May. Later on, 10 pilgrims tested positive for coronavirus and the others were sent to quarantine as per guidelines. The state witness spike in number of COVID-19 cases as migrant workers and many people of Assam stranded in other parts of the country returned to Assam. Many of them tested positive for coronavirus when they were in quarantine... ae79665cfd
