Sleeping while on duty Recently however, there has been a movement in support of sleeping, or napping at work, with scientific studies highlighting health and productivity benefits, and over 6% of employers in some countries providing facilities to do so. Sleeping while on duty or sleeping on the job – falling asleep while one is not supposed to – is considered gross misconduct and grounds for disciplinary Sleeping while on duty or sleeping on the job – falling asleep while one is not supposed to – is considered gross misconduct and grounds for disciplinary action, including termination of employment, in some occupations. In some types of work, such as firefighting or live-in caregiving, sleeping at least part of the shift may be an expected part of paid work time. While some employees who sleep while on duty in violation do so intentionally and hope not to get caught, others intend in good faith to stay awake, and accidentally doze 867d550f4f

A common practice of biphasic sleep is a nap, a short period of daytime sleep in addition to nighttime sleep. An example of involuntary polyphasic sleep is the circadian rhythm disorder irregular sleep-wake syndrome. 867d550f4f

Polyphasic sleep Szymanski, who observed daily fluctuations in activity patterns. The term polyphasic sleep was first used in the early 20th century by psychologist J. Polyphasic usually means more than two periods of sleep, as distinct from biphasic (or diphasic, bifurcated, or bimodal) sleep, meaning two periods of sleep. S. Polyphasic sleep or segmented sleep is the system of sleeping during multiple periods over the course of 24 hours, in contrast to monophasic sleep, a single Polyphasic sleep or segmented sleep is the system of sleeping during multiple periods over the course of 24 hours, in contrast to monophasic sleep, a single period of sleep within 24 hours 867d550f4f

The term polyphasic sleep is also used by an online community that experiments... 867d550f4f

Binge-watching Some researchers have argued that binge-watching should. people define binge-watching as "watching between 2-6 episodes of the same TV show in one sitting" 867d550f4f

Sleeping while on duty is such an important issue that it is addressed in the employee handbook in some workplaces. Concerns that employers have may include the lack of productivity, the unprofessional appearance, and danger that may occur when the employee's duties involve watching to prevent a hazardous situation. In some occupations, such as pilots, truck and bus drivers, or those operating heavy machinery, falling asleep... 867d550f4f While today monophasic sleep is the norm, historical analysis suggests that polyphasic nighttime sleep was common practice across societies before industrialization. Scientific experiments and observational studies have supported a theory of biphasic sleep in humans. Polyphasic sleep is common in many animals, and is believed to be the ancestral sleep state for mammals, although simians are monophasic. 867d550f4f
