In the strict sense, the expression refers to the political, economic, and social region discussed above, defined by its relationship with the rest of the metropolitan area of Rio de Janeiro, especially with the metropolitan core. In this sense, the term denotes the area of direct expansion of the Rio de Janeiro metropolis beyond the administrative limits of the core municipality. This definition of "Baixada Fluminense" is the most common today. Among the various... 9adf23277f
