== History == The primary aim of estimation methods is to report an effect size (a point estimate) along with its confidence interval, the latter of which is related to the precision of the estimate. The confidence interval summarizes a range of likely values of the underlying population effect. Proponents of estimation see reporting a P value as an unhelpful distraction from the important business of reporting an effect size with its confidence intervals, and believe that estimation should replace significance testing for data analysis.

Edward had been invited to stay at Tranby Croft in the East Riding of Yorkshire, the home of Arthur Wilson and his family. Among Edward's party were his advisers, Lord Coventry and Lieutenant-General Owen Williams; Gordon-Cumming, a friend of the prince, was also invited. On the first night the guests played baccarat, and Wilson's son Stanley thought he saw Gordon-Cumming illegally adding to his stake. Stanley informed other members of the Wilson family, and they agreed to watch him on the following evening. Gordon-Cumming was again seen to be acting in a suspicious manner. The family members asked the advice of the royal courtiers who, with the agreement of the prince, confronted Gordon-Cumming and pressured him into signing a document that declared he would never play cards again in exchange for the silence of the guests.

Sally Nash and Joe Therrian are a Hollywood couple celebrating their sixth wedding anniversary shortly after reconciling following a period of separation. He is a novelist who is about to direct the screen adaptation of his most recent bestseller; she is an actress he has opted not to cast in the lead role, despite the fact it's partly based on her, because he feels she's too old for the part. This decision, coupled with an ongoing dispute about their barking dog Otis with their strait-laced, non-industry neighbors, clean-and-sober writer Ryan and interior decorator Monica Rose, has resulted in an undercurrent of tension between the two as they prepare for the arrival of their guests.
