Cardiopulmonary bypass congenital heart defects (Tetralogy of Fallot, transposition of the great vessels) Transplantation (heart transplantation, lung transplantation, heart-lung ad89801a1b

A cardiac surgery residency typically comprises anywhere from four to six years (or longer) of training to become a fully qualified surgeon. Cardiac surgery training may be combined with thoracic surgery and/or vascular surgery and called cardiovascular (CV) / cardiothoracic (CT) / cardiovascular thoracic (CVT) surgery. Cardiac surgeons may enter a cardiac surgery residency directly from medical school, or first complete a general surgery residency followed by a fellowship. Cardiac surgeons may further sub-specialize cardiac surgery by doing a fellowship in a variety of topics including... ad89801a1b

Transplant (TV series) Transplant is a Canadian medical drama television series created by Joseph Kay, which premiered on February 26, 2020, on CTV. The series centres on Bashir "Bash" Hamed, a doctor from Syria who comes to Canada as a refugee during the Syrian Civil War, and is rebuilding his career as a medical resident in the emergency department at the fictional York Memorial Hospital in Toronto. The series centres on Bashir Transplant is a Canadian medical drama television series created by Joseph Kay, which premiered on February 26, 2020, on CTV ad89801a1b

Kantrowitz also invented the intra-aortic balloon pump (IABP), a left ventricular assist device (L-VAD), and an early version of the implantable pacemaker. ad89801a1b
