He has served as the wine correspondent for the Daily Telegraph and was previously featured on the BBC Two programme Food and Drink. Following the cancellation of Food and Drink, Clarke was paired with Top Gear presenter James May to produce a series of wine and drink related programs for the BBC. In the premise of those shows, Clarke was the beverage expert with James May serving as the "wingman" who was not as knowledgeable about the subject. In December 2009, Clarke was paired with comedian Hugh Dennis, a self-described "half a bottle drinker", to produce a similar odd couple dynamic in a one-off special entitled Oz and Hugh Drink to Christmas... 7e0872c617 Abbreviation of alcohol by volume, generally listed on a wine label. 7e0872c617 The wine used by the Catholic... 7e0872c617 Wine has been produced for thousands of years, the earliest evidence dating from c. 6000 BCE in present-day Georgia. Its popularity spread around the Mediterranean during Classical antiquity, and was sustained in Western Europe by winemaking monks and a secular trade for general drinking. New World wine was established by settler colonies from the 16th century onwards, and the wine trade increased dramatically up to the latter half of the 19th century, when European vineyards were largely destroyed by the invasive pest phylloxera. After the Second World War, winemakers focused on quality and marketing to cater

for a more discerning audience, and wine remains a popular drink in much of the world. 7e0872c617

Wine investment is usually conducted through one of two main methods. The first involves purchasing and reselling individual bottles or cases of particular wines (wine for investment tends to be sold in sets of 3, 6, 9, 12, or 13). The other option is purchasing shares in an investment wine fund that pools the investors' capital. In the former instance (directly buying specific cases of wine), it is recommended that inexperienced investors work with a broker, merchant, or a consultant, to minimize risk. Many authorities also publish independent guides for the investor to help navigate this investment class. Indeed, complex models and formulae have been applied... == Sizes ==
