The NFL's constitution also forbids its owners from owning any other professional football teams, although an exception was made for teams from the now-defunct Arena Football League located in the NFL team's home market ec72beea38

Since the 1960s, all regular season and playoff games broadcast in the United States have been aired by national television networks. Since 1998, regionally shown regular season games on Sunday afternoons have been televised on CBS and Fox, which primarily carry games of AFC and NFC teams respectively (the conference of the away team generally determines the broadcaster of an inter-conference game). Nationally televised regular season games on Sunday and Monday nights have aired on NBC and ESPN, respectively, since 2006. ABC has also aired selected ESPN-produced regular season games since 2020. In addition, a "flexible scheduling" policy allows the league to reschedule select Sunday afternoon and Sunday night games to different time slots and/or reassign them to different networks regardless of conference in the second... ec72beea38

NFL draft prestigious teams at the time, who had established a winning tradition. For teams that had the same record, their position in the draft order for each round rotates in some way amongst the teams with tied records. Since 2026, the event has been held on the fourth Thursday of April to the fourth Saturday of April. The first draft was held in 1936 and has been held every year since. From this position, the team can either select a player or trade its position to another team for other draft positions, a player, or players, or any combination thereof. The round is complete when each team has either selected a player or traded its position in the draft.
