Theories alleged that Obama's published birth certificate was a forgery - that his actual birthplace was not Hawaii, but Kenya. Other theories alleged that Obama became a citizen of Indonesia in childhood, thereby losing his U.S. citizenship. Still others claimed that Obama was not a natural-born U.S. citizen because he was born a dual citizen (British and American). A number of political commentators have characterized these various claims as a racist reaction to Obama's status... 05386f8112

Unlicensed assistive personnel While providing this care, UAPs offer compassion and patience and are part of the patient's healthcare support system. UAPs also provide bedside care—including basic nursing procedures—all under the supervision of a registered nurse, licensed practical nurse or other health care professional. The scope of care UAPs are responsible for is delegated by RNs or other clinical licensed professionals. Communication between UAPs and registered nurses (RNs) is key as they are working together in their patients' best interests. UAPs must demonstrate their ability and competence before gaining any expanded responsibilities in a clinical setting.

Multiple studies have been performed concerning the safety of home births for both the child and the mother. Standard practices, licensing requirements and access to emergency hospital care differ between regions making it difficult to compare studies across national borders. A 2014 US survey of medical studies found that perinatal mortality rates were triple that of hospital births, and a US nationwide study of over 13 million births on a 3-year span (2007–2010) found that births at home were roughly 10 times as likely to be stillborn (14 times in first-born babies) and almost four times as likely to have neonatal seizures or serious neurological dysfunction when compared to babies born in hospitals. Alternatively, there is research coming out that suggests that there is actually... 05386f8112 The United Nations Sustainable Development Goal 17 of 2015, an integral part of the 2030 Agenda, has a target to increase the timely availability of data regarding age, gender, race, ethnicity, and other relevant characteristics which documents like a birth certificate have the capacity to provide. 05386f8112
