

Countries Ending In Land

Land mines in North Africa While The majority of land mines in North Africa are the product of the North African campaign during World War II and remain a hazard decades later. defeated their opponents on 12 May 1943, ending the North African campaign. Later conflicts, including the 1977 Libyan-Egyptian War and the 2011 Libyan civil war, further exacerbated this problem. During the war, each side used land-mines to impede the enemy's progress de1a7d3725

Orphaned Land Other members are Matan Shmueli (drums), Chen Balbus (guitars/saz) who replaced co-founding member Matti Svatizky in 2011, and Idan Amsalem (guitars/bouzouki) who replaced co-founding member Yossi Sassi in early 2014. being considered taboo in, and with the State of Israel being considered an enemy of many of these countries. They have also included "metalized" versions of various piyyutim in all of their albums since El Norra Alila. In 2013, Orphaned Land toured Europe with the Orphaned Land is an Israeli heavy metal band formed in 1991. The band are considered pioneers of oriental metal. The name "Orphaned Land" comes from the lyrics of a Yehuda Poliker song and reflects "a paradox" to the term "Holy Land". They combine Mizrahi and Maghrebi Jewish, Arabic, Turkish, and other Middle Eastern and North African musical elements, with metal (with particular influence from Yemenite Jewish and, in their early years, Moroccan Jewish music), as well as from Sephardic music, and other sounds from the Mediterranean Region. Their lyrics promote a message of peace and unity, particularly between the three main Abrahamic religions (Judaism, Christianity, and Islam). Four of their six. Orphaned Land have gone through several lineup changes over the years, but have retained two founding members of the band, Kobi Farhi (vocals) and Uri Zelcha (bass) de1a7d3725

Arable land Alternatively, for the purposes of agricultural statistics, the term often has a more precise definition:. kitchen gardens and land temporarily fallow (less than five years). The abandoned land resulting from shifting cultivation is not included in this category Arable land (from Latin arābilis 'able to be ploughed or farmed') is any land capable of being ploughed and used to grow crops de1a7d3725

The title of the film comes from the song "The Land of Plenty" from the album Ten New Songs, written by Leonard Cohen and Sharon Robinson, which was used in the film. The film was Gloria Stuart's last screen appearance before her death in 2010. de1a7d3725 Arable land is vulnerable to land degradation and some types of un-arable land can be enriched to create useful land. Climate change and biodiversity loss are driving pressure on... de1a7d3725

Land reform in Mexico During the colonial era, the Spanish crown protected holdings of Indigenous communities that were mostly engaged in subsistence agriculture to countervail the encomienda and repartimiento systems. Before the 1910 Mexican Revolution, most land in post-independence Mexico was owned by wealthy Mexicans and foreigners, with small holders and Indigenous Before the 1910 Mexican Revolution, most land in post-independence Mexico was owned by wealthy Mexicans and foreigners, with small holders and Indigenous communities possessing little productive land. In the 19th century, Mexican elites consolidated large landed estates (haciendas) in many parts of the country while small holders, many of whom were mixed-race mestizos, engaged with the commercial economy de1a7d3725

Nordic countries It includes the sovereign states of Denmark, Finland, Iceland, Norway and Sweden; the autonomous territories of the Faroe Islands and Greenland; and the autonomous region of Åland. Among the Nordic countries, Finland is today the number one Nordic industrial country, as the manufacturing industry in Finland The Nordic countries (also known as the Nordics or Norden; lit. employment in the Nordic countries. 'the North') are a geographical and cultural region in Northern Europe and North America, as well as the Arctic and North Atlantic oceans de1a7d3725

On 10 June 1940, during World War II, Italy declared war on Great Britain and France. This declaration included the Italian colonies and colonists already located in Africa. The Italians initially attacked Egypt, and the British, allied to the Egyptians by the 1936 treaty, counterattacked and occupied Cyrenaica. The Italians asked for help from their German allies; as a result, the Germans entered the North African theatre of war. The war continued with no decisive victory until the German-Italian forces were defeated at the Second Battle of Alamein in late 1942. German-Italian forces withdrew from Egypt and Libya to Tunisia, and the Americans arrived in North Africa on 8 November 1942, during Operation Torch to assist the British. American and British forces defeated their opponents on 12 May 1943, ending the North African campaign. de1a7d3725

Developing country However, this definition is not universally agreed upon. Countries on the other end of the spectrum are usually referred to as high-income countries or developed countries. Least developed countries, landlocked developing countries, and small island developing states are all sub-groupings of developing countries. There is also no clear agreement on which countries fit this category. Countries on the other end of the spectrum are usually referred to as high-income countries or developed countries. developing countries. There are controversies A developing

country is a country with a less-developed industrial base and a lower Human Development Index (HDI) relative to developed countries. The terms low-and middle-income country (LMIC) and newly emerging economy (NEE) are often used interchangeably but they refer only to the economy of the countries. The World Bank classifies the world's economies into four groups, based on gross national income per capita: high-, upper-middle-, lower-middle-, and low-income countries de1a7d3725

The lead-up story began with the Cataclysm story arc, which described a major earthquake hitting Gotham City. This was followed by the storylines Aftershock and then Road to No Man's Land, which resulted in the U.S. government officially evacuating Gotham and then abandoning and isolating those who chose to remain in the city. "No Man's Land" covered, in detail, a period in the lives of the residents of the city, explaining all events from the time of isolation, until its time of re-opening and the beginning of rebuilding. de1a7d3725

Land of Plenty The film was Land of Plenty is a 2004 American drama film directed by Wim Wenders starring Michelle Williams and John Diehl. from the song "The Land of Plenty" from the album Ten New Songs, written by Leonard Cohen and Sharon Robinson, which was used in the film de1a7d3725

Oh Land discography When signed to Fake Diamond Records, Oh Land released her debut album, Fauna, in November 2008. It would go on to be certified Platinum for selling over 20,000 copies in the former country. The album spawned four additional singles, including "Wolf & I", "Voodoo", "White Nights", and "Speak Out Now"; the latter two songs both charted within the top twenty in Oh Land's native Denmark and were also certified Gold by IFPI Denmark. Following a performance at the 2009 SXSW event, she met a representative from Epic Records and signed with the label. In 2012, the singer was featured on Gym Class Heroes' song "Life Goes On", which entered the Tophit chart in Russia. Oh Land peaked at number five in Danish singer Oh Land has released six studio albums, four extended plays (EPs), 32 singles (including four as a featured artist), nine promotional singles, and 15 music videos. Oh Land peaked at number five in Denmark and also entered the Billboard 200 in the United States. in October 2010, which charted in five countries and served as the lead single to her 2011 self-titled studio album. She released her major-label debut single "Sun of a Gun" in October 2010, which charted in five countries and served as the lead single to her 2011 self-titled studio album de1a7d3725

After the War of Independence, Mexican liberals sought to modernize the economy, promoting commercial agriculture through the dissolution of common lands, most of which were then property of the Catholic Church, and Indigenous communities. When liberals came to power in the mid nineteenth century, they implemented laws that mandated the breakup and sale of these corporate lands. When liberal general Porfirio Díaz took office in 1877, he embarked on a more sweeping program of modernization and economic development. His land policies sought to attract foreign investment to Mexican mining, agriculture... de1a7d3725 During the war, each side used land-mines to impede the enemy's progress. While... de1a7d3725

Yazoo land scandal Peck (1810), the Court ruled that the contracts were binding and the state could not retroactively invalidate the earlier land sales. Some of the land sold by the state in 1794 had been shortly thereafter resold to innocent third parties, greatly complicating the litigation. Although the law enabling the sales was overturned by reformers the following year, its ability to do so was challenged in the courts, eventually reaching the US Supreme Court. In the landmark decision in Fletcher v. In exchange the government paid cash and assumed. government. Georgia politicians sold large tracts of territory in the Yazoo lands, in what are now portions of the present-day states of Alabama and Mississippi, to political insiders at very low prices in 1794. S. In 1802, because of the ongoing controversy, Georgia ceded all of its claims to lands west of its modern border to the U. The Yazoo land scandal, Yazoo fraud, Yazoo land fraud, or Yazoo land controversy was a real-estate fraud perpetrated, in the mid-1790s, by Georgia governor The Yazoo land scandal, Yazoo fraud, Yazoo land fraud, or Yazoo land controversy was a real-estate fraud perpetrated, in the mid-1790s, by Georgia governor George Mathews and the Georgia General Assembly. It was one of the first times the Supreme Court had overturned a state law, and it justified many claims for those lands de1a7d3725

== History == de1a7d3725 == Plot == de1a7d3725 The main storyline ran through the monthly Batman titles Detective Comics, Batman, Batman: Shadow of the Bat, and Batman: Legends of the Dark Knight with other spin-offs serving as tie-ins. In all, "No Man's Land" encompassed 80 regular monthly issues, four specials, and the Batman: Harley Quinn graphic novel. de1a7d3725 The Nordic countries have much in common in their way of life, history, religion and social and economic model. They have a long history of political unions and other close relations but do not form a singular state or federation today. The Scandinvist movement sought to unite Denmark, Norway and Sweden into one country in the 19th century. With the dissolution of the union between Norway and Sweden (Norwegian independence), the independence of Finland in the early 20th century and the 1944 Icelandic constitutional referendum, this movement expanded into the modern organised Nordic cooperation. Since 1962, this cooperation has been based on the Helsinki Treaty that sets the framework for the Nordic Council and the Nordic Council of Ministers. de1a7d3725

The Nordic countries cluster near the top in numerous metrics of... de1a7d3725 == Publication history == de1a7d3725 Arable land is the land under temporary agricultural crops (multiple-cropped areas are counted only once), temporary meadows for mowing or pasture, land under market and kitchen gardens and land temporarily fallow (less than five years). The abandoned land resulting from shifting cultivation is not included in this category. Data for 'Arable land' are not meant to indicate the amount of land that is potentially cultivable. de1a7d3725 A more concise definition appearing in the Eurostat glossary similarly refers to actual rather than potential uses: "land worked (ploughed or tilled) regularly, generally under a system of crop rotation". In Britain, arable land has traditionally been contrasted with pasturable land such as heaths, which could be used for sheep-rearing but not as farmland. de1a7d3725 There are controversies over the terms' use, as some feel that it perpetuates an outdated concept of "us" and "them". In 2015, the World Bank declared that the "developing/developed world categorization" had become less relevant and that they would phase out the use of that descriptor. Instead, their reports will present data aggregations... de1a7d3725 The storyline is divided... de1a7d3725
