Long jump track) and jump as far as they can from a wooden or synthetic board, 20 centimetres or eight inches wide, that is built flush with the runway, into a pit filled The long jump is a track and field event in which athletes combine speed, strength and agility in an attempt to leap as far as possible from a takeoff point. Along with the triple jump, the two events that measure jumping for distance as a group are referred to as the "horizontal jumps". This event has a history in the ancient Olympic Games and has been a modern Olympic event for men since the first Olympics in 1896 and for women since 1948 7b804541ef

Cats naturally attack and kill rodents and adapt to new surroundings, which makes them suitable for service on a ship. In addition, they offer companionship and a sense of home, security and camaraderie to sailors away from home. The tradition that every ship needs a mascot made cats very welcome among sailors. 7b804541ef Some critics have described jump scares as a lazy way to frighten viewers, and believe that the horror genre has undergone a decline in recent years following an over-reliance on the jump scare trope, establishing it as a cliché of modern horror films. 7b804541ef

Cat Its retractable claws are adapted to killing small prey species such as mice and rats. The cat (Felis catus), also called domestic cat and house cat, is a small domesticated carnivorous mammal. It is a social species, but a solitary hunter and a crepuscular predator. It is a member of Felidae, the family of mammals The cat (Felis catus), also called domestic cat and house cat, is a small domesticated carnivorous mammal. It has a strong, flexible body, quick reflexes, and sharp teeth, and its night vision and sense of smell are well developed. It is an obligate carnivore, requiring a predominantly meat-based diet. It is a member of Felidae, the family of mammals in the order Carnivora also colloquially referred to as cats 7b804541ef
