Orelha case 2026-01-28. "Direita e esquerda se unem nas redes após assassinato do cão Orelha em SC: 'tristeza e indignação'". The early released veterinary report indicated that Orelha suffered a severe head injury, likely caused by a blunt object such as a piece of wood or bottle. Orelha was found weakened and was later euthanized at a veterinary clinic. However, an expert report prepared by a veterinary expert after exhuming the dog's body ruled out the possibility of recent trauma consistent with abuse. Retrieved The Orelha the dog case refers to the death of a community dog named Orelha on January 4, 2026, in Praia Brava, a neighborhood in northern Florianópolis, Santa Catarina, Brazil, where he had lived for ten years and was informally cared for by local residents. The party entered the Spanish parliament for the first time after winning seats in the April 2019 general election. Later that year, it received 3.6 million votes in the November 2019 general election, winning 52 seats and becoming the third-largest party in the Congress of Deputies. Its public support reached its peak within the next few years, according to the results of subsequent regional elections and opinion polling, but in the 2023 Spanish general election showed worse results: a loss of 19 seats in parliament (albeit remaining the third-largest political party in Spain with roughly 3 million votes). In the European Parliament, the six deputies of Vox are members of Patriots for Europe after a stint in the European Conservatives and Reformists Group.

Her novels differed from other works in that she did not use eroticism, due to the Spanish regime's strict censorship. Her style was direct and her characters were simply presented. These novels have inspired several telenovelas.

Biography Though similar torrential rain events had happened in the past in the region, the flooding was more intense, likely due to the effects of climate change. The poor preparation and disaster response of the regional and national governments also likely aggravated the human cost of the event, notably in Valencia. After the flooding, thousands of volunteers from all around Spain and numerous nonprofit organizations mobilized to help with the cleanup and recovery.
