It is their first album release in fourteen years since 2004's Emotive Eat the Elephant is the fourth studio album by American rock band A Perfect Circle. While early work on new material traces back to as early as 2008, years of slow progress would ensue due to conflict between the band's chief music writers, frontman Maynard James Keenan and guitarist Billy Howerdel, largely stemming from their commitments to other projects and inability to come to an agreement on the direction to take the band. Thematically, the album covers a variety of Keenan's views on modern societal, religious, and political issues, focusing on his perceived lack of accountability in humanity. Renewed focus, alongside assistance from music producer Dave Sardy, helped propel the band into much more productive sessions across 2017, with the album being completed in early 2018. Musically, the album was viewed as an extension and maturation of their rock sound, adding more piano and electronic elements into songs for a more mellow sound than prior albums

"I Will Steal You Back" was released as the lead single in April 2013, and Jimmy Eat World spent the next few months touring across the United States. The band performed songs on talk shows such as Jimmy Kimmel Live! and Conan. The title-track "Damage" was released as a radio single in August. Stints of the United Kingdom, the US and Europe followed, leading up to an appearance at Reading and Leeds Festivals.
