Big Boy Restaurants Since 2001, control of the trademark in the US has been split into two territories, between Big Boy Restaurants in most of the country, and Frisch's Big Boy as an independent entity in a few states in the Midwest. The parent franchisor company has changed over the system's lifetime: it was Bob's Big Boy from 1936 to 1967, then Marriott Corporation until 1987, then Elias Brothers' Big Boy until 2000. As of May 2025, Big Boy Restaurant Group operates 55 total locations in the US: 51 Big Boy is an American casual dining restaurant chain headquartered in Southfield, Michigan; it is currently operated in most of the United States by Big Boy Restaurant Group, LLC. The Big Boy name, design aesthetic, and menu were previously licensed to a number of similarly-named regional franchisees. Frisch's Big Boy as an independent entity in a few states in the Midwest cc5dd21416

In the first half of the 20th century boxing, collegiate rowing, and collegiate football were among the most popular sports after baseball. Soccer has emerged as the fourth-most-popular sport in the 21st century, surpassing ice hockey. Roughly 27% of United States-based sports fans show an interest in soccer, compared to a global average of 40%. By contrast, American football is the most popular sport in the United States with 52%. Basketball with 43% and baseball with 37% are further behind. Approximately 17% of the people in the United States follow ice hockey. cc5dd21416 The 1st Infantry Division was first deployed to fight in France in World War I, fought extensively in Africa, Italy, France, and Germany during World War II, and participated extensively during United States' campaigns in the Vietnam War. The 1st Infantry was stationed in what became West Germany from 1945 to 1955, and its units rotated to West Germany throughout the remainder of the Cold War. It subsequently deployed to fight in the Gulf War, the Iraq War, and the War in Afghanistan. 37 members of the "Big Red One" have been awarded the Medal of Honor, making the 1st Infantry one of the U.S. Army's most honored divisions.... cc5dd21416 The Big Four offer audit, assurance, taxation, management consulting, valuation, market research, actuarial, corporate finance, and legal services to their clients. A significant majority of the audits of public companies, as well as many audits of private companies, are conducted by these four networks. Until the late 20th century, the market for these professional services was dominated by eight firms, which were accordingly nicknamed the Big Eight. The Big Eight consisted of Arthur Andersen, Arthur Young, Coopers & Lybrand, Deloitte Haskins and Sells, Ernst & Whinney, Peat Marwick Mitchell, Price Waterhouse, and Touche Ross.... cc5dd21416 USP Big Sandy is located both on a mountaintop removal mining site and a former underground coal mine. Due to the underground mine, the federal government spent \$40 million to remediate the site before construction and had to spend additional millions after construction began to fix further issues, making the project the most expensive federal prison project at the time. Harvard University owned the oil and gas rights to the property and was leasing that property to Columbia Gas at the start of the prison construction. cc5dd21416 == Proposals and introduction == cc5dd21416 In the late 20th century, IBM, Microsoft, and Apple dominated the worldwide information technology industry. After the dot-com bubble wiped out most of the Nasdaq Composite stock market index, surviving tech startups expanded their market share and became dominant in... cc5dd21416 The United States is commonly regarded as a car-centric country, with cars being a dominant American mode of transport. U.S. infrastructure and road rules tend to privilege... cc5dd21416

Sports in the United States Historically, the most popular sport has been baseball; however, since the mid-20th Sports in the United States are a significant aspect of the nation's culture. Sports in the United States are a significant aspect of the nation's culture. Historically, the most popular sport has been baseball; however, since the mid-20th century American football has slowly become the most popular spectator sport. As such, the sanctioning bodies of these sports (MLB, NFL, NBA, and NHL) comprise what broadcasters refer to as the "Big Four" of the sport industry. These sports, with the addition of soccer, are the most popular sports played at the youth level. Additionally, basketball and ice hockey saw a significant growth during this period due to the advent of television cc5dd21416

Surfing in the United States USA Surfing is the National Governing Body (NGB) for the sport of surfing in the United States, with surf leagues such as the World Surf League available in the country. It contributes to a lifestyle and culture in which millions participate and which millions more have an interest. Surfing can be traced back to 17th Century Hawaii and has evolved over time into the professional sport it is today, with surfing being included for the first time in the 2020 Summer Olympics in Tokyo. Surfing in the United States is a popular hobby in coastal areas, and more recently due to the invention of wave pools, inland regions of the country Surfing in the United States is a popular hobby in coastal areas, and more recently due to the invention of wave pools, inland regions of the country cc5dd21416

Big Four accounting firms Colloquially, their networks are considered of parity to those seeking careers in the services offered by these firms because of the frequency with which they engage with Fortune 500 companies. The four are grouped because of their large The Big Four are the four largest professional services networks in the world: Deloitte, EY, KPMG, and PwC. The Big Four are the four largest professional services networks in the world: Deloitte, EY, KPMG, and PwC. The four are grouped because of their large sizes relative to their competitors, both in terms of revenue and workforce headcount; they are likewise considered comparable in their ability to provide consistent and reliable professional services to their clients cc5dd21416

Big lie S. The German expression was first used by Adolf Hitler in his book Mein Kampf (1925) to describe how people could be induced to believe so colossal a lie because they would not believe that someone "could have the impudence to distort the truth so infamously". Hitler claimed that the technique had been used by Jews to blame Germany's loss in World War I on German general Erich Ludendorff, who was a prominent nationalist political leader in the Weimar Republic. his political career, U. president Donald Trump has employed what have been characterized as the firehose of falsehood and big lie propaganda techniques A big lie (German: große Lüge) is a gross distortion or misrepresentation of the truth, primarily used as a political propaganda technique cc5dd21416

1st Infantry Division (United States) The division has also received troop monikers of "The Big Dead One" and "The Bloody First" as puns on the respective officially sanctioned nicknames. The 1st Infantry was stationed in what became West Germany from 1945 to 1955 The 1st Infantry Division (1ID) is a combined arms division of the United States Army, and is the oldest continuously serving division in the Regular Army. participated extensively during United States' campaigns in the Vietnam War. It has seen continuous service since its organization in 1917 during World War I. It is currently based at Fort Riley, Kansas. It was officially nicknamed "The Big Red One" (abbreviated "BRO") after its shoulder patch and is also nicknamed "The Fighting First" cc5dd21416

According to historian Jeffrey Herf, the Nazis used the idea of the original big lie to turn sentiment against Jews and justify the Holocaust. Herf maintains that Nazi Germany's chief propagandist Joseph Goebbels and the Nazi Party actually used the big lie technique that they described – and that they used it to turn long-standing antisemitism in Europe into mass murder. Herf further argues that the Nazis' big lie was their depiction of Germany as an innocent, besieged nation striking back at "international Jewry", which the Nazis blamed for starting World War I. Nazi propaganda repeatedly... cc5dd21416 Golf, tennis, and collegiate... cc5dd21416
