A52 road The Brian Clough Way/Derby Road double-naming continues along the A6200 between the Queen's Medical Centre and into the centre of Nottingham, as far as The A52 is a major road in the East Midlands, England. It is approximately 147 miles (237 km) long. It runs east from a junction with the A53 at Newcastle-under-Lyme near Stoke-on-Trent via Ashbourne, Derby, Stapleford, Nottingham, West Bridgford, Bingham, Grantham, Boston and Skegness to the east Lincolnshire coast at Mablethorpe c9f26b48b0

The road opened in 1897, the year of Queen Victoria's Diamond Jubilee, celebrating the 60th year of her reign. A stone was laid by Governor Robinson and the road was named Victoria Jubilee Road (皇后大道). The road was without any surfacing and only access to Chinese public cemetery in Kellett Bay. In 1903, Hong Kong Government erected a stone at the road in Kennedy Town to mark the boundary of Victoria City. c9f26b48b0 == History == c9f26b48b0 == History == c9f26b48b0

Russell Road (Ontario) In Ottawa it is officially Ottawa Road #26, and in Clarence-Rockland as United Counties of Prescott and Russell County Road #2. In this gap, there remains Russell Road is an arterial road in Eastern Ontario, Canada. The second segment of Russell Road begins about 370 m southeast of terminus of the first segment. and Smyth Medical Centre (1929). It begins in Ottawa in the Riverview neighbourhood and runs eastward through the rural communities of Ramsayville, Carlsbad Springs and Bearbrook in Ottawa and through the Municipality of Clarence-Rockland, connecting the communities of Cheney and Bourget, ending at Boundary Road on

the eastern border of Clarence Rockland c9f26b48b0

The road was originally built in the 1830s from parts of an indigenous trail that led to Montreal. In the 19th century, it was also known as the "Ottawa and Russell macadamized road". and was owned by the Ottawa and Russell Macadamized Road Company. It would later be owned by the Ottawa, Montreal & Russell Road Company. The Carleton County 1879 Atlas shows the road running from the village of Janeville (now Vanier), southward following the east bank of the Rideau River toward Hurdman's Bridge, then eastward following what is now Terminal Avenue, then turning south to connect more or less to its current alignment. c9f26b48b0 This is approximately 2 kilometres (1 mi), south of Mulago National Referral Hospital. The coordinates of the hospital are 0°19'37.0"N, 32°34'46.0"E (Latitude:0.326944; Longitude:32.579444). c9f26b48b0 The Sisters bought land on Thomson Hill in October 1956, which was cleared... c9f26b48b0

remuneration for men and women who are employed. In most countries, women are paid less than men for the same work. The gender pay gap or gender wage gap is the average difference between the remuneration for men and women who are employed c9f26b48b0

The Institute began as an offshoot of the Royal Adelaide Hospital laboratories, being located in Frome Road nearby, in what used to be South Australia's principal teaching hospital precinct. RAH Superintendent and Dean of Medicine Sir Trent Champion de Crespigny created a combined laboratory... c9f26b48b0 The organisation was established as the Institute of Medical and Veterinary Science (IMVS) in the late 1930s. c9f26b48b0 In 1952, the Sisters were given an opportunity to start a private hospital to bring nursing care and services to the population. It was to be a well-planned and professionally managed hospital for everyone; especially for the poor and the disadvantaged. The FMDM Sisters pooled their savings and salaries, and canvassed for donations all over Singapore. The Colonial government at that time promised a dollar-for-dollar matching grant based on the total collection. c9f26b48b0 The global unadjusted gender pay gap is 68.5%. Recently, the pay gap has decreased most rapidly in Global South developing countries. In the European Union, there has been little change in the gender pay gap in the 21st century. In 2024 in the United States, according to Pew Research, women earned 85% as much as men, slightly up from 81% in 2003. Developed Asian economies have also entered a stage of relative stability, yet income disparities remain relatively larger compared with those in Western economies. c9f26b48b0 adjusted pay gap is the difference between how much men and women make for the same work, and it takes into account differences in hours worked, occupations chosen, education attained, and job experience. c9f26b48b0 As a not-for-profit organisation, SA Pathology bulk-bills patients for all Medical Benefits Schedule (MBS) pathology tests. In a recent article by Choice magazine, it was recognised as the only consistently "no gap, bulk billing" pathology provider in South Australia. c9f26b48b0
