It is responsible for detecting and preventing fraud, waste, abuse, and violations of law and to promote economy, efficiency and effectiveness in the operations of USAID, the Millennium Challenge Corporation, the United States African Development Foundation, and the Inter-American Foundation 470e8a92b4

Because Rome is home to the three principal United Nations organizations dedicated to food and agriculture (World Food Programme, Food and Agriculture Organization, and International Fund for Agricultural Development), it is at the center of international efforts to promote sustainable development and combat world hunger. Thus, the Mission plays an essential role in supporting the "Feed the Future" in its work. The U.S. Mission to the UN in Rome serves as a link between the Rome-based international organizations and the U.S. government; the staff at this... 470e8a92b4 == Purpose == 470e8a92b4 The chief of the mission is typically the person who is the United States Ambassador to the United Nations Agencies for Food and Agriculture, or a chargé d'affaires if the ambassadorship is vacant. 470e8a92b4

United States Mission to the UN Agencies in Rome Rome The United States Mission to the UN Agencies in Rome serves as a link between the Rome-based international organizations and the U. government. S. government. The United States Mission to the UN Agencies in Rome serves as a link between the Rome-based international organizations and the U. diplomatic missions in Rome are the Embassy of the United States, Rome, and the Embassy of the United States to the Holy See. Rome is unusual in that there are three U. Ambassadors located there; the other U. S. S. Together they are referred to as "Tri-Mission Community" in Rome. S 470e8a92b4

OIG is organized into three operational units: Audit, Investigations, and Management. It has five overseas offices located in Bangkok, Thailand; Pretoria, South Africa; San Salvador, El Salvador; Kyiv, Ukraine; and Tel Aviv, Israel. 470e8a92b4

United States Information Agency The agency's primary mission was to promote a favorable view of the United States abroad, focusing exclusively on international audiences until 1990. The agency's primary The United States Information Agency (USIA) was a United States government agency devoted to propaganda which operated from 1953 to 1999. USIA sponsored

various educational and cultural programs, such as cultural exchanges and international broadcasting, aiming to influence foreign perceptions of American democracy and market principles. The United States Information Agency (USIA) was a United States government agency devoted to propaganda which operated from 1953 to 1999 470e8a92b4

Australia - Department of Foreign Affairs and Trade (Development Cooperation Division), formerly AusAID 470e8a92b4 In 1999, prior to the reorganization of intelligence agencies by President George W. Bush, President Bill Clinton assigned USIA's cultural exchange and non-broadcasting intelligence functions to the newly created under secretary of state for public diplomacy and... 470e8a92b4

List of federal agencies in the United States federal government of the United States includes many agencies, departments, offices and other organizations. The official United States Government Manual and the Administrative Procedure Act list government agencies. The official United States Government Manual and The federal government of the United States includes many agencies, departments, offices and other organizations. The Administrative Procedure Act's definition of agency applies to most executive branch agencies, while the United States Congress may define an agency however it chooses in enabling legislation, and through subsequent litigation often involving the Freedom of Information Act and the Government in the Sunshine Act 470e8a92b4

== International == 470e8a92b4 In August 1953, President Eisenhower... 470e8a92b4 Established through separate statutes passed by Congress, each respective statutory grant of authority defines the goals the agency must work towards, as well as what substantive areas, if any, over which it may have the power of rulemaking. These agency rules (or regulations), when in force, have the power of federal law. 470e8a92b4 Previously existing United States Information Service (USIS) posts operating out of U.S. embassies worldwide since World War II became the field operations offices of the USIA. In 1978, USIA was merged with the Bureau of Educational and Cultural Affairs of the Department of State into a new agency called the United States International Communications Agency (USICA). Use of the name United States Information Agency (USIA) was restored in 1982. 470e8a92b4 USAID was established to counter the influence of the Soviet Union during the Cold War through soft power. In 2025, the Trump administration ended 83% of overall projects, and according to Reuters, the agency is expected to disband in September 2026. However, USAID had been reorganized by the United States Congress as an independent agency in 1998 and can only be abolished by an act of Congress. As such, it legally still exists. 470e8a92b4 The DFC provides loans, loan guarantees, direct equity investments, and political risk insurance to support private-sector-led development projects, as well as funding for feasibility studies and technical assistance. DFC invests across several sectors including energy, healthcare, critical infrastructure, and technology, with stated priorities of women's empowerment, innovation, investment in West Africa and the Western Hemisphere, and climate change.

470e8a92b4 From 2001 to 2024, USAID had an average budget of \$23 billion a year and missions in over 100 countries in areas as diverse as education, global health, environmental protection, and democratic governance. From 2001 to 2021, USAID programs were estimated to save between 4.1 and 4.7 million lives per year, including between 1.2 and 1.7 million children under five. 470e8a92b4

Independent agencies of the United States federal government In a narrower sense, the term refers only to those independent agencies that, while considered part of the executive branch, have regulatory or rulemaking authority and were insulated from presidential control, usually because the president's power to dismiss the agency head or a member was limited. In the United States federal government, independent agencies are agencies that exist outside the federal executive departments (those headed by a Cabinet In the United States federal government, independent agencies are agencies that exist outside the federal executive departments (those headed by a Cabinet secretary) and the Executive Office of the President 470e8a92b4

Argentina - White Helmets Commission (Comisión Cascos Blancos) 470e8a92b4 == History of Inspectors General == 470e8a92b4 The administrator is officially nominated by the president of the United States and confirmed by the United States Senate. A 2017 reorganization of the US National Security Council placed the USAID administrator as a permanent member on the Deputies Committee. 470e8a92b4 == Structure == 470e8a92b4 The DFC seeks to promote private sector investment and expertise in the economic development of countries that are either developing or transitioning to market-based economies. Its activities... 470e8a92b4 The OIG fulfills these responsibilities by conducting audits, investigations, and other reviews. OIG accomplishments are reported in semiannual reports to the Congress. OIG's published plans and reports, testimony, and press releases are available on its Web site. The underlying law laying out the OIG's authority, responsibility, and reporting requirements is the Inspector General Act of 1978, as amended. 470e8a92b4 The majority of the independent agencies of the United States government are also classified as executive agencies. They are independent in that they are not subordinated under a Cabinet position. There is a smaller number of independent agencies that are not part of the executive branch, such as the Congressional Research Service and the United States Sentencing Commission... 470e8a92b4 Independent agencies exist outside the federal executive departments (those headed by a Cabinet secretary) and the Executive Office of the President. There is a further distinction between independent executive agencies and independent regulatory agencies, which have been assigned rulemaking responsibilities or authorities by... 470e8a92b4 Brazil - Agência Brasileira de Cooperação 470e8a92b4
