Middle-earth is the main continent of Earth (Arda) in an imaginary period of the past, ending with Tolkien's Third Age, about 6,000 years ago. Tolkien's tales of Middle-earth mostly focus on the north-west of the continent. This region is suggestive of Europe, the north-west of the Old World, with the environs of the Shire reminiscent of England, but, more specifically, the West Midlands, with the town at its centre, Hobbiton, at the same latitude as Oxford. c912ec98ca

Based on the 1982 Battlefield Earth is a 2000 American science fiction action film directed by Roger Christian from a script by Corey Mandell and J. David Shapiro. Ron Hubbard, Battlefield Earth is set in the year 3000 and follows a human rebellion against the "Psychlos", a tyrannical alien species that has ruled Earth for a thousand years

The film was released by 20th Century Fox on December 16, 1959. It was a commercial success and well received by critics, earning three Academy Award nominations. Before his death in 1986, Hubbard himself had campaigned for a Hollywood adaptation of his novel since its publication, asking support from Scientology figures in the industry, including Travolta. After the financial and critical success of 1994's Pulp Fiction revitalized Travolta's career, he decided to use his newfound influence to revive and lead the project with the involvement of other Scientologist figures, although funding from major studios proved troublesome to obtain due to concerns regarding the script and Hubbard's connections to Scientology. In 1998, it was picked up by the independent production company Franchise Pictures, which specialized in rescuing pet projects. Production began in 1999... The track is a sweeping soul ballad, anchored by piano and lush string arrangements, with its title referencing soul singer Donny Hathaway and including nods to his collaborator Roberta Flack. It evolved into both an introspective reflection and a retrospective on Fall Out Boy's career during a period of uncertainty about the band's future. It contains a key guest appearance from Elvis Costello, one of Stump's longtime heroes. Its bridge features an array of cameos from aughts-era emo hitmakers—including Brendon Urie, Travie McCoy, Gabe Saporta, and more—each reprising a Fall Out Boy song.

Crisis on Infinite Earths (Arrowverse) The events of the Black Lightning episode "The Book of Resistance: Chapter Four: Earth Crisis" (which aired between Batwoman and The Flash) and a two-issue comic book with characters and concepts unused in the live-action episodes also tied into the event.
