== Overview == d6eaccbcb The X-Files Collectible Card Game is played between two players using constructed decks of cards representing characters, equipment, events, and locations derived from the television show. At the onset of the game, each player selects one of the 41 possible X-File cards and places it face-down. The game's objective is to be the first player to correctly ascertain the identity of their opponent's secret X-File card. To gather clues about the facedown X-File card, players allocate a Team of Agent cards to investigate Sites. If the Team of Agents can successfully fulfill the Site investigation requirements, they may ask a characteristic question about the opponent's X-File card (ex. "Is your X-File's Affiliation Alien?" or "Is your X-File's Motive Survival?"). Players can attempt to hinder their opponent's investigation by playing Events, Bluffs, and Adversary cards from their own constructed Bureau Decks. d6eaccbcb Private non-ACA health care exchanges also exist in many states, responsible for enrolling 3 million people.
