The counterculture of the 1960s caused him to shed many of his conservative views about individual freedom and sexual expression. Milk moved to San Francisco in 1972 and opened a camera store. After holding an assortment of jobs and frequently changing addresses, he settled in the Castro, a neighborhood that was experiencing a mass immigration of gay men and lesbians. He ran for city supervisor in 1973, but the existing gay political establishment resisted him. Milk's campaign was compared to theater due to his personality, earning media attention and votes, although not enough to be elected. He campaigned again in the next two supervisor elections, dubbing himself the "Mayor of Castro Street". The voter response caused him to also run for the California State Assembly. Due to his growing popularity, he led the gay rights movement... d655f40a1b In 2011, dairy farms... d655f40a1b
