== Life and work == Conscientiousness is one of the five traits of both the Five Factor Model and the HEXACO model of personality and is an aspect of what has traditionally been referred to as having character. Conscientious individuals are generally hard-working and reliable. When taken to an extreme, they may also be "workaholics", perfectionists, and compulsive in their behavior. People who score low on conscientiousness tend to be laid back, less goal-oriented, and less driven by success, if they also score high on Big Five Agreeableness; otherwise, they are also more likely to engage in anti-social... He discusses and dissects contemporary fine art photography on his blog, Conscientious, started in 2002. In 2009, Source included Conscientious in its list of ten recommended photography blogs; in 2010 Wired said that "Joerg Colberg is a pioneer in photography blogging, and his blog Conscientious maintains a tight editorial voice"; and in 2012 Sean O'Hagan included it among his few most recommended online photography websites and publications. In 2006, American Photo named Colberg one...

Testimony of peace The testimony of peace does not mean that Quakers engage only in passive resignation; in fact, they often. reconciliation are always superior to violent measures

The Charioteer wounded at Dunkirk who must decide if his affections lie with a younger conscientious objector working at his hospital or a naval officer whom he had 'worshiped'

Big Five personality traits become agreeable, conscientious, and emotionally stable with age, some findings in youth personality research have indicated that mean levels of agreeableness

Strange Hill High various conflicts, while avoiding studying for tests; Becky Butters, a conscientious schoolgirl who tries her best to get out of whatever problems she gets

Conscientiousness Conscientious people tend to be efficient and organized as opposed to easy-going and disorderly. Conscientiousness implies a desire to do a task well, and to take obligations to others seriously. They tend to show self-discipline, act dutifully, and aim for achievement; they display planned rather than spontaneous behavior; and they are generally dependable. Conscientiousness implies a desire to do a task well, and to take Conscientiousness is the personality trait of being responsible, careful, or diligent. Conscientiousness is the personality trait of being responsible, careful, or diligent. Conscientiousness manifests in characteristic behaviors such as being neat, systematic, careful, thorough, and deliberate (tending to think carefully before acting) 51fce0cb40
