The Cormac McCarthy Society was established in 1993 as a literary society promoting study of his works. The journal originated with papers published online at the society's website before the appearance of its first print edition. Its contents have focused on literary criticism of McCarthy's works as well as biographical and historical research on topics related to his life and fiction. 1c86d8af8f == Plot == 1c86d8af8f In 1985, he published Blood Meridian, which received a lukewarm response. The novel has since gained great esteem and is often seen as his magnum opus — some have even labelled it the Great American Novel. 1c86d8af8f McCarthy was born in Providence, Rhode Island, although he was raised primarily in Tennessee. In 1951, he enrolled in the University of Tennessee, but dropped out to join the U.S. Air Force. His debut novel, The Orchard Keeper, was published in 1965. Awarded literary grants, McCarthy was able to travel to southern Europe, where he wrote his second novel, Outer Dark (1968). Suttree (1979), like his other early novels, received generally positive reviews, but was not a commercial success. A MacArthur Fellowship enabled him to travel to the American Southwest,

where he researched and wrote his fifth novel, *Blood Meridian* (1985). Although it initially garnered a lukewarm critical and commercial reception, it has since been regarded as... 1c86d8af8f

The field of McCarthy studies will surely benefit from such a nuanced meditation as is found in Potts's work. Potts intervenes in current McCarthy criticism by complicating previous readings that would subordinate his work's strange, distinctive spirituality to other, more purely aesthetic goals or qualities. Through expert harmonizations of theological, literary, and theological voices, Potts places the sacramental in conversation with the postmodern in a way that bolsters both and compromises... 1c86d8af8f 2007 International Dublin Literary Award shortlist for *No Country for Old Men* 1c86d8af8f
