

Current South Australian Time

East Australian Current At around 15° S near the Australian coast the SEC divides forming the southward flow of the EAC. It is the largest ocean current close to the shores of Australia. The East Australian Current (EAC) is a warm, southward, western boundary current that is formed from the South Equatorial Current (SEC) crossing the Coral The East Australian Current (EAC) is a warm, southward, western boundary current that is formed from the South Equatorial Current (SEC) crossing the Coral Sea and reaching the eastern coast of Australia 53b4a5b1b5

Forms of football were played very early in the history of the Colony of South Australia pre-dating the organisation of Australian rules football in Victoria and rivalled football's popularity there. In 1877, the colony officially adopted the code in order to compete in the very first intercolonial representative football match in Australia against Victoria. The first governing body, the South Australian Football Association (now SANFL) formed on 13 April 1877, remains the oldest in Australia. Its clubs rivalled... 53b4a5b1b5 The state comprises less than 6.7% of the Australian population and ranks fifth in population among the six states and two territories. The majority of its people reside... 53b4a5b1b5 The EAC reaches a maximum velocity at 30° S, where its flow can reach 90 cm/s. As it flows southward it splits from the coast at around 31° to 32° S. By the time it reaches 33° S it begins to undergo a southward meander while another portion of the transport turns back northward in a tight recirculation. At this location the EAC reaches its maximum transport of nearly 35 Sv (35 billion liters per second). 53b4a5b1b5

Australian rules football in South Australia There are 63,969 adults and 28,692 children playing, less than a quarter of which are female. It is governed by the South Australian Football Commission which runs the South Australia National Football League in the capital Adelaide, the highest profile competition among the 24 spread across the state. 1%. Prior to 2019 it was the most participated team sport in the state, however it dropped to third after both basketball and soccer there surpassed it in 2024. Participation has fallen substantially in recent years to a current rate of 4. It In South Australia, Australian rules football (known simply as "football" or "footy") is traditionally a popular participation and spectator sport. In South Australia, Australian rules football (known simply as "football" or "footy") is traditionally a popular participation and spectator sport 53b4a5b1b5

Daylight saving time in Australia Other Australian jurisdictions – the states of Queensland and Western Australia, the Northern Territory and Australia's other external territories – do not observe daylight saving time. saving time (DST) is currently observed in the Australian states of New South Wales, South Australia, Tasmania, and Victoria, as well as the Australian Capital Daylight saving time (DST) is currently observed in the Australian states of New South Wales, South Australia, Tasmania, and Victoria, as well as the Australian Capital Territory, Jervis Bay Territory and Norfolk Island 53b4a5b1b5

Standard time was introduced in the 1890s when all of the Australian colonies adopted it. Before the switch to standard time zones, each local city or town was free to determine its local time, called local mean time. Western Australia uses Western Standard Time; South Australia and the Northern Territory use Central Standard Time; while New South Wales, Queensland, Tasmania, Victoria, Jervis Bay Territory and the Australian Capital Territory use Eastern Standard Time. Daylight... 53b4a5b1b5
