The diagnosis of schizophrenia was broader than its modern equivalent; autistic children were often diagnosed with childhood schizophrenia. The earliest research that focused on children who would today be considered autistic was conducted by Grunya Sukhareva starting in the 1920s. In the 1930s and 1940s, Hans Asperger and Leo Kanner described two related syndromes, later termed Asperger syndrome and infantile autism. Kanner thought that the condition he had described might be distinct from schizophrenia, and in the following decades, research into what would become known as autism accelerated. Formally, however, autistic children continued to be diagnosed under various... 203591bea3 Many of SNL's ad parodies have been featured in prime-time clip shows over the years, including an April 1991 special hosted by Kevin Nealon and Victoria Jackson, as well as an early 1999 follow-up hosted by Will Ferrell that features his attempts to audition for a feminine hygiene commercial. In late 2005 and in March 2009, the special was modernized, featuring commercials created since the airing of the original special. 203591bea3
