Aguirre treated COVID-19 patients during the COVID-19 pandemic in El Salvador in 2020. In October 2020, Aguirre became the secretary-general of the Union of Salvadoran Social Security Institute Physicians (Simetrisss). Aguirre sought improved working conditions and better salaries for union members, as well as improvements in El Salvador's healthcare system. In May 2026, proceedings began to remove Aguirre as secretary-general of Simetrisss. He claimed that he was being removed for complaining about a lack of medications at the Social Security Institute. In July 2026, before Aguirre ran for president of El Salvador in 2027, he sought permission from Simetrisss to no longer serve as its secretary-general to keep the organization politically neutral. 5c232d2b74 == Biography == 5c232d2b74
