The show was revived in the early 1970s with Pebbles and Bamm-Bamm having grown into teenagers, and several different series and made-for-TV movies (broadcast mainly on Saturday mornings, with a few shown in primetime), including a series depicting Fred and Barney as police officers, another depicting the characters as children, and yet others featuring Fred and Barney encountering Marvel Comics superhero The Thing and Al Capp's comic strip character The Shmoo—have appeared over the years. The original show also was adapted into a live-action film in 1994, and a prequel, The Flintstones in Viva Rock Vegas, which followed in 2000. Unlike its sister show The Jetsons (the two shows appeared in a... 9630b4964e

A pregnancy may end in a live birth, a miscarriage, an induced abortion, or a stillbirth. Childbirth typically occurs around 40 weeks from the start of the last menstrual period (LMP), a span known as the gestational age; this is just over nine months. Counting by fertilization age, the length is about 38 weeks. Implantation occurs on average 8–9 days after fertilization. An embryo is the term for the developing offspring during the first seven weeks following implantation (i.e. ten weeks' gestational age), after which the term fetus is used until the birth of a baby. 9630b4964e Due to World War II and his family's flight to India as refugees, Jeejeebhoy's schooling was initially very checkered.
