Bdelygmia is consistent with an appeal to pathos. If an individual is trying to move their audience emotionally, he or she must express the same emotion toward a view or individual – in this case, hatred. Distinction is made between hatred and criticism. In comparison with other rhetorical devices, bdelygmia is not considered a very sophisticated appeal to emotion. As an appeal to pathos, effective bdelygmia employs strong language and knowledge of the intended. However... 5850574e80 Usually presented in black and white six-panel strips, the comic is set in a typical American suburban neighbourhood backyard, and deals with a bad-tempered boy suffering from chronic migraines, and his interaction with his neighbor who constantly approaches him trying to befriend him. 5850574e80 Major events during Trump's second presidency that were fact-checked for multiple falsehoods. 5850574e80
