Ten people wake up on the beach of what appears to be a deserted tropical island. None of them have any memory of who they are or how they got there, and each takes on the name that is printed on their clothes tags. The group make initial attempts to band together, but differing priorities and strong personalities cause some of them to clash. In particular, Chase, who wants to investigate the island, does not get along with KC, who is suspicious of Chase's ability to find resources, and Brody, who attempts to rape Chase. 4253ca00b4 Franklin began her stage career at the age of six months when her parents carried her on stage in a production of Hearts of Oak. Irene Franklin was born in Saint Louis, Missouri, in 1885. While many sources have suggested her birth year as 1875 or 1876, subsequent census records, ship manifests, and official documents all point to 1884 or 1885, and her official birth record from Saint Louis confirms 1885. A mention in the New York Sun in early 1890 as a four-year-old helps to confirm this point. 4253ca00b4
