Mango sticky rice To serve the dish, the rice is scooped onto a plate, a few mango slices are placed Mango sticky rice is a traditional Southeast Asian and South Asian dessert made with glutinous rice, fresh mango and coconut milk. The mangoes are peeled and sliced. the milk to absorb into the rice

As assessed over 1949 to 1998, people from the Ryukyu Islands (of which Okinawa is the largest) had a life expectancy among the highest in the world (83.8 years vs. 78.9 years in the United States), although the male life expectancy rank among Japanese prefectures plummeted in the 21st century.

Maguey worm One 100-gram serving contains over 650 calories, or the equivalent of two plates of rice. While they are sometimes eaten Maguey worms (Spanish: gusanos de maguey, [gu'sanos ðe ma'ɣej] ; chinicuiles [tʃini'kwiles]) are either of two species of edible caterpillars that infest maguey plants (Agave americana and Agave tequilana). nutritious delicacy in Mexican cuisine

Types of rice cake include: To prepare the dish, the rice is soaked in water and then cooked by steaming or the use of a rice cooker. Meanwhile, the coconut milk is mixed with salt and sugar then heated without boiling. After the rice is finished cooking, the coconut milk mixture and the rice are mixed together evenly and allowed to sit to allow the milk to absorb into the rice. The mangoes are peeled and sliced. To serve the dish, the rice is scooped onto a plate, a few mango slices are placed on top or to the side, and the remaining coconut milk is drizzled on top. Sometimes, the sticky rice is topped with crispy yellow mung beans. == White maguey worm == Carne asada is sometimes shredded. == Relative longevity ==

Rice diet patient on a diet consisting of "white rice, sugar, fruit, fruit juices, vitamin and iron, and provided about 2000 calories, 20 grams of protein, and 700–1000 The Rice Diet started as a radical treatment for malignant hypertension before the advent of drugs; the original diet included strict dietary restriction and hospitalization for monitoring. Some contemporary versions have been greatly relaxed, and have been described as fad diets

The dish was reportedly created at the Lincoln Grill restaurant in Hilo, Hawaiʻi, in 1949 by its proprietors, Richard and Nancy Inouye. There are two different versions of the origin story. The first is that the dish was made to cater to teenagers from the Lincoln Wreckers Sports club who wanted a dish that was inexpensive, different from a sandwich, and quick to prepare and serve. == History and origin == Sandwiches Mission burritos can be made with stewed and shredded beef (machaca). Although there are myriad factors that could account for differences in life expectancy, calorie restriction and regular physical activity could be the main ones. People have promoted the "Okinawa diet", despite the fact that the diet alone is unlikely to solely explain high life expectancy among seniors on... The casado is a common type of lunch combination meal in Costa Rica and Panama. == List of shredded beef dishes == Fast food combination meals typically include a main item (called entrée in American English, but not usually in French) such as a hamburger, a side dish such as fries, and a beverage such as a soft drink. Other types of restaurants, such as fast-casual restaurants also offer combination meals. Salpicon is a salad that includes shredded beef and is common in Mexico.
