Their search for fossils led them west to rich bone beds in Colorado, Nebraska, and Wyoming. From 1877 to 1892, both paleontologists used their wealth and influence to finance their own expeditions and to procure services and dinosaur bones from fossil hunters. By the end of the Bone Wars, both men had exhausted their funds in the pursuit of paleontological supremacy. 53d6c037d4

Rhetorical question often used as a literary device to spur thought, conversation, character development, plot, etc. In many cases it may be intended to start a discourse, as a means of displaying or emphasizing the speaker's or author's opinion on a topic. In many instances, rhetorical questions serve as a literary device with the purpose of persuading an audience or making them reflect on a topic. A simple example is the question "Can't you do anything right. The following are examples of aporia as a rhetorical device: A rhetorical question is a rhetorical device where a question is asked for a purpose other than to obtain information. " This question is not intended to request a response about the listener's competence but rather to insinuate their lack of it 53d6c037d4

In the latter part of his career, King was plagued by chronic knee problems, for which no effective treatment or remedy was found. Instead of training with the rest of the squad, King undertook fitness exercises on his own, allowing him to play one first team game per week. His former manager Harry Redknapp called King "an absolute freak" for being able to perform at a Premier League level despite not training. Whilst playing, King was cited by opponents and pundits as one of the best defenders in the Premier League. 53d6c037d4
