Amputation In some cultures and religions, minor amputations or mutilations are considered a ritual accomplishment. When done by a person, the person executing the amputation is an amputator. The oldest evidence of this practice comes from a skeleton found buried in Liang Tebo cave, East Kalimantan, Indonesian Borneo dating back to at least 31,000 years ago, where it was done when the amputee was a young child. A prosthesis or a bioelectric replantation may restore sensation of the amputated limb. the knee joint and the ankle joint, commonly referred to as a below-knee amputation knee disarticulation amputation of the lower limb at the knee joint Amputation is the removal of a limb or other body part by trauma, medical illness, or surgery. A special case is that of congenital amputation, a congenital disorder, where fetal limbs have been cut off by constrictive bands. In some countries, judicial amputation is currently used to punish people who commit crimes. Amputation has also been used as a tactic in war and acts of terrorism; it may also occur as a war injury. As a surgical measure, it is used to control pain or a disease process in the affected limb, such as malignancy or gangrene. In some cases, it is carried out on individuals as a preventive surgery for such problems 852f4173d1

Atlantis (Bridgit Mendler song) The song is widely considered to be written due to Mendler's split from former boyfriend Shane Harper. Even in the midst of fun and light moments in life, my heart is as limp as his hand hitting my knee while we dance in the kitchen. is passed out. " Phil "Atlantis" is a song by American recording artist Bridgit Mendler. Written by Mendler, Spencer Bastian, Mischa Chillak and Kaiydo, with Bastian and Chillak serving as producers, it was released as the lead single from the extended play, Nemesis (2016), through Black Box Media Agency on August 26, 2016 852f4173d1

Moxibustion It plays an important role in the traditional medical systems Moxibustion (Chinese: 灸; pinyin: jiǔ) is a traditional Chinese medicine therapy which consists of burning dried mugwort (moxa) on particular points on the body. medicine therapy which consists of burning dried mugwort (moxa) on particular points on the body. Suppliers usually age the mugwort and grind it up to a fluff; practitioners burn the fluff or process it further into a cigar-shaped stick. They can use it indirectly, with acupuncture needles, or burn it on the patient's skin. It plays an important role in the traditional medical systems of China, Japan, Korea, Vietnam, and Mongolia 852f4173d1

"Kickapoo Joy Juice" was a fictional beverage coined in the American comic strip Li'l Abner. Al Capp, the cartoonist, described the beverage as "a liquor of such stupefying potency that the hardiest citizens of Dogpatch, after the first burning sip, rose into the air, stiff as frozen codfish". It was said to be an elixir of such power that the fumes alone have been known to melt the rivets off battleships. 852f4173d1

List of London's Burning episodes The following is a list of all the episodes that featured in all 14 series of London's Burning (1988–2002). This list includes the original 1986 TV film The following is a list of all the episodes that featured in all 14 series of London's Burning (1988–2002). This list includes the original 1986 TV film that the series was based on and the Christmas special "Ding Dong Merrily", which aired between Series 1 and Series 2. Additionally it is the only episode of London's Burning with a title 852f4173d1

According to Mendler, the song discusses the capability of finding love, but feeling like it has disappeared like a lost city, therefore referencing the mythical city of Atlantis. The track was considered by music critics to be a radical departure from her previous work, which featured mainstream, pop music elements. Receiving critical acclaim, critics praised the atmosphere of the song and Mendler's tube distortion voice. 852f4173d1

Triumph Over the Grave which he titles "The Examination of My Right Knee"; a tale concerning a failed operation for his trick knee, during which he was hallucinating on LSD. The "Triumph Over the Grave" is a short story by Denis Johnson first appearing in his collection The Largesse of the Sea Maiden published in 2018 by Random House 852f4173d1

== Types == 852f4173d1 == Series overview == 852f4173d1 == Form == 852f4173d1 Brewed by Hairless Joe and Lonesome Polecat, two of the comic strip's backwoods poachers, the ingredients of the brew are both mysterious and all-encompassing, (much like the contents of their cave, which has been known to harbor prehistoric monsters.) When a batch "needs more... 852f4173d1 Moxibustion is promoted as a treatment for a wide variety of conditions, but its use is not backed by good evidence and it carries a risk of adverse effects. 852f4173d1 Hamstring injuries can also come with a hip injury from sprinting. Symptoms for a hip injury are pain, aching and discomfort while running or any physical exercise. 852f4173d1 People with TTS typically complain of numbness in the foot radiating to the big toe and the first three toes, pain, burning, electrical sensations, and tingling over the base of the foot and the heel. Depending on the area of entrapment, other areas can be affected. If the entrapment is high, the entire foot can be affected as varying branches of the tibial nerve can become involved. Ankle pain is also present... 852f4173d1

Kickapoo Joy Juice Hollis, Tim (May 2008). Ain't that a knee-slapper: rural comedy in the twentieth century. Although Li'l Abner's Kickapoo Joy Juice was an alcoholic drink, the real-life beverage is a lightly carbonated soft drink. The name was introduced in Li'l Abner, a comic strip that ran from 1934 through 1977. p. Press of Mississippi. 46. 217. History Digest Corp. Univ. Kickapoo Joy Juice is a citrus-flavored soft drink brand owned by the Monarch Beverage Company. p 852f4173d1

Pulled hamstring Hamstring injuries are common in athletes participating in many sports. Track and field athletes are particularly at risk, as hamstring injuries have been estimated to make up 29% of all injuries in sprinters. moment of knee and hip flexion as

compared to the medial hamstrings. The muscle group is prone to injuries due to the explosive nature of movement in sports. Straining of the hamstring, also known as a pulled hamstring, is defined as an excessive stretch or tear of muscle fibers and related tissues 852f4173d1

== Li'l Abner == 852f4173d1 Seiza is associated with straw tatami flooring or zabuton pillows that allow for comfortable sitting, and it is commonly used in several Japanese practices, including Japanese martial arts and the Japanese tea ceremony. Sitting seiza-style is often difficult for people who are not accustomed to it or for the physically infirm, such as injured people and the elderly. Sitting seiza-style for long periods of time is associated with health problems, particularly those of the knees. Seiza may be compared to similar seated positions in other cultures, such as Indian Vajrasana. 852f4173d1 The first Western remarks on moxibustion can be found in letters and reports written by Portuguese missionaries in 16th-century Japan. They called it botão de fogo (lit. 'fire button'), a term originally used for round-headed Western cautery irons. Hermann Buschoff, who published the first Western book on this matter in 1674 (English edition 1676), used the Japanese pronunciation mogusa (from "moe-gusa", lit. burning herb). As the u is not very strongly enunciated, he spelled it "Moxa". Later authors blended "Moxa" with the... 852f4173d1

Tarsal tunnel syndrome The tarsal tunnel is delineated by bone on the inside and the flexor retinaculum on the outside. posterior tibial nerve path Burning sensation on the bottom of foot that radiates upward reaching the knee "Pins and needles"-type feeling and increased sensation Tarsal tunnel syndrome (TTS) is a nerve compression syndrome or nerve entrapment syndrome causing a painful foot condition in which the tibial nerve is entrapped as it travels through the tarsal tunnel. One nerve (calcaneal) continues to the heel, the other two (medial and lateral plantar nerves) continue on to the bottom of the foot. The posterior tibial artery, tibial nerve, and tendons of the tibialis posterior, flexor digitorum longus, and flexor hallucis longus muscles travel in a bundle through the tarsal tunnel. Inside the tunnel, the nerve splits into three segments. The tarsal tunnel is found along the inner leg behind the medial malleolus (bump on the inside of the ankle) 852f4173d1

The book cover depicts Victor holding Alfie, while an older guy sprays down the jackets using waterguns. 852f4173d1 The story opens with an incident at a restaurant involving a case of mistaken identity: the narrator confuses a red-headed woman for Nan, the spouse of his friend Robert, both of whom live in New York City. A phone call leads to the narrator's discovery that Robert had died suddenly that morning. The news leaves the narrator profoundly shaken. 852f4173d1 Along with a series of Twitter posts on her official account teasing the release of Atlantis, Mendler shared the following information concerning the song's production:"So here's how Atlantis came about. I was working with Book, one of my producers, one day at his studio in Los Angeles. He started this beat that sounded like it was underwater. I imagined... 852f4173d1 The narrator, who in his youth led a precarious existence, describes his early efforts to become a successful author. He announces to the reader, "I'll write a story for you right now" which he titles "The Examination of My Right Knee", a tale concerning a failed operation for his trick knee, during which he was hallucinating on LSD. 852f4173d1 To sit seiza-style, one must first be kneeling on the floor, folding one's legs underneath one's thighs, while resting the buttocks on the heels. The ankles are turned outward as the tops of the feet are lowered so that, in a slight "V" shape, the tops of the feet are flat on the floor and... 852f4173d1 The biceps femoris long head is at the most risk for injury, possibly due to its reduced moment of knee and hip flexion as compared to the medial hamstrings. 852f4173d1 The critical vignettes of the story relate the narrator's role... 852f4173d1

Who'll Save Alfie Atkins? (Swedish: Vem räddar Alfons Åberg. up older guys within a row. As an episode of the animated TV series it originally aired over SVT on 13 January 1981. The only problem is that Malcolm isn't there when needed Who'll Save Alfie Atkins. Translated by Robert Swindells, it was published in English in 1979. The theme is friends, imaginary and real ones. He can also save three older guys in a while from a burning house.) is a 1976 children's book by Gunilla Bergström 852f4173d1

== Plot == 852f4173d1 "Triumph Over the Grave" is a discursive journey composed of vignette-like episodes, perhaps autobiographical or fictional. The unnamed narrator, a writer in his sixties living in San Francisco, recounts the lives - and deaths - of now-deceased friends, literary associates, and mentors. 852f4173d1

Seiza It developed among samurai during the Edo period and was later widely adopted by the public. accompanying "pins and needles" feeling, followed by painful burning sensations, and then eventually complete numbness in the legs. 'proper sitting') is the formal, traditional way of sitting in Japan. It involves a specific positioning and posture in a kneeling position so as to convey respect, particularly toward elders. However, the physical Seiza (坐 or 座; SAY-zah; lit 852f4173d1

Capp asserted in 1965 that the cartoon "never has suggested that the drink is moonshine", in response to claims that the Kickapoo Joy Juice of Li'l Abner was an illicitly distilled liquor. 852f4173d1
