The Spirit of the Beehive portrait of a child's haunted inner life. The film, set in a small town in post-Civil War Spain, focuses on a young girl named Ana. It traces family and school dynamics, her fascination with the 1931 American horror film *Frankenstein*, and her exploration of a haunted home and landscape, making subtle references towards the dark, contentious politics of the time. The film was Erice's feature directorial debut and is considered a masterpiece of Spanish cinema. Six-year-old Ana is a shy girl

Evil eye believed in the force of spells and the evil eye, in the magic power of protective and beneficial amulets which could avert the evil eye or the bad intentions The evil eye is a supernatural belief in a curse brought about by a malevolent glare, usually inspired by envy. Amulets to protect against it have been found dating to around 5,000 years ago. It is found in many cultures in the Mediterranean region, the Balkans, Eastern Europe, West Asia, Central Asia, South Asia, Africa, the Caribbean, and Latin America, with such cultures often believing that receiving the evil eye will cause misfortune or injury, while others believe it to be a kind of supernatural force that casts or reflects a malevolent gaze back upon those who wish harm upon others (especially innocents). Different cultures have pursued measures to protect against the evil eye. Some of the most famous talismans against the evil eye include the nazar amulet, itself a representation of an eye, and the hamsa, a hand-shaped amulet. Older iterations of the symbol were often made of ceramic or clay; however, following the production of glass beads in the Mediterranean region in approximately 1500 BC, evil eye beads were popularised with the Indians, Phoenicians, Persians, Arabs, Greeks, Romans and Ottomans. Many have noted the symbolism present throughout the film, used both as an artistic device and as a way to avoid censorship under the repressive Franco regime. While censors were alarmed by some of the film's suggestive content about the authoritarian government, they allowed it to be released in Spain based on its success abroad, under the assumption that most of the public would have no real interest in seeing "a slow-paced, thinly-plotted and 'arty' picture." ee0fc4aa39 Hosoda established Studio Chizu for production.

Witch trials in the early modern period Magical healers or 'cunning folk' were sometimes prosecuted for witchcraft, but seem to have made up a minority of the accused. Between 40,000 and 60,000 were executed, almost all in Europe. The witch hunts were particularly severe in parts of the Holy Roman Empire. Prosecutions for witchcraft reached a high point from 1560 to 1630, during the Counter-Reformation and the European wars of religion. Roughly 80% of those convicted were women, most of them over the age of 40. In some regions, convicted witches were burnt at the stake, the traditional punishment for religious heresy. whole were not of the belief that magic in its entirety is demonic, for members of the clergy practiced crafts such as necromancy, the practice of communicating In the early modern period, from about 1400 to 1775, about 100,000 people were prosecuted for witchcraft in Europe and British America.
