Both est and The Forum have been depicted more often in film and television than in literary works. The 1977 film Semi-Tough satirized Erhard and the est Training, through the fictional "Bismark Earthwalk Action Training," in which Bert Convy portrayed a character said to have been a parody of Erhard. Diana Ross and Joel Schumacher, who had both taken the est training, incorporated Werner Erhard's teachings into the 1978 musical film, The Wiz. The 1990 film The Spirit of '76 also parodied est, with Rob Reiner portraying a trainer for the est-like "Be, Inc. Seminars." Movie critics...

The response of the people (or, in the Tridentine Mass, of the servers at Low Mass, the choir at Solemn Mass) to either of the above is Deo gratias ("thanks be to God"). 02baa9ecd5 The expression uses the word "done" in the sense of "finished" or "settled", a usage which dates back to the first half of the 15th century. 02baa9ecd5 In the 19th century, it was common to explain the phrase elliptically, with missa the feminine participle of mittere, as in Ite, missa est [congregatio] "Go, it [viz., the assembly] is dismissed". 02baa9ecd5

Cuius est solum, eius est usque ad coelum et ad inferos The principle is often referred to in its abbreviated form as the ad coelum doctrine. Cuius est solum, eius est usque ad coelum et ad inferos (Latin for "whoever's is the soil, it is theirs all the way to the sky and to the depths") is Cuius est solum, eius est usque ad coelum et ad inferos (Latin for "whoever's is the soil, it is theirs all the way to the sky and to the depths") is a principle of property law, stating that property holders have rights not only to the plot of land itself, but also the air above and (in the broader formulation) the ground below 02baa9ecd5

In some jurisdictions, the ability to exploit mineral rights – as a subset of subsurface rights, beyond a specified depth – is completely separate to property title. In such jurisdictions, these rights are often owned permanently by the state and are leased from it for a fixed time... 02baa9ecd5 One of the first-recorded uses of this phrase was by the character Lady Macbeth in

Act 3, Scene 2 of the tragedy play Macbeth (early 17th century), by the English playwright William Shakespeare, who said: "Things without all remedy Should be without regard: what's done, is done" and "Give me your hand. What's done cannot be undone. – To bed, to bed, to bed!" 02baa9ecd5

Ite, missa est It does not mean an offering (mittere, in the sense of handing over to God), but the dismissal of the people, as in the versicle 'Ite missa est' (Go Ite, missa est ('Go, it is the dismissal')) are the concluding Latin words addressed to the people in the Mass of the Roman Rite in the Catholic Church, as well as in the Divine Service of the Lutheran Church. Until the reforms of 1962, at Masses without the Gloria, Benedicamus Domino was said instead. -io 02baa9ecd5

In modern law, this principle is still accepted in limited form; the rights are divided into air rights above and subsurface rights below. Property title includes to the space immediately above and below the ground – preventing overhanging parts of neighboring buildings – but do not have rights to control flights far above the ground or in space. In dense urban areas, air rights may be transferable (see transferable development rights) to allow construction of new buildings over existing buildings. 02baa9ecd5 Shakespeare did not coin the phrase; it may actually be a derivative of the early 14th-century French proverb: *Mez quant ja est la chose fecte, ne peut pas bien estre desfecte*, which is translated into English as "But when a thing is already done, it cannot be undone". Some scholars have suggested that Shakespeare may have learned some version of the expression from a classical source, such as Sophocles, or more likely a Latin translation of his work. 02baa9ecd5

Chupungco (1999) noted that "some persons have attempted" to "sublimate" the straightforward meaning of the phrase into an interpretation of missio "dismissal" as "mission" (as in, "go and be a missionary"), but judges this interpretation... 02baa9ecd5

However, according to Fortescue (1910), the word missa as used in this phrase is not the feminine participle (Classical Latin missa), but rather a Late Latin form of what would be missio in classical Latin, meaning "dismissal", for a translation of "Go, the dismissal is made". 02baa9ecd5
