It involved dismantling or withdrawing support for both domestic and international institutions working to strengthen the American soft power, and favoring instead hard power. The moves were described as undermining American global leadership and creating a power vacuum for Russia and China. In his article highlighting the best movies of 2022, Richard Brody of The New Yorker said, "This year, it's all the more important to offer a widely inclusive list, because a wide range of American filmmakers have caught up with the inescapable phenomenon of the recent past: the resurgence of openly anti-democratic forces and brazenly hate-driven ideologies, the crisis of illegitimate rule, the menace of authoritarianism, the potential end of even our current debilitated American democracy. The phenomenon is certainly not limited to the United States, and filmmakers from around the world have long been confronting it in their own countries bravely, insightfully, and ingeniously. For years, many of the best American... a25dd22747
