== Plot == d56594377f Gale and Zemeckis conceived the idea for Back to the Future in 1980. They were desperate for a successful film after numerous collaborative failures, but the project was rejected more than forty times by various studios because it was not considered raunchy enough to compete with the successful comedies of the era. A development deal was secured with Universal Pictures following Zemeckis's success directing Romancing the Stone (1984). Fox was the first choice to portray Marty but was unavailable; Eric Stoltz was cast instead. Shortly after principal photography began in November 1984, Zemeckis determined Stoltz... d56594377f The album peaked at No. 8 on the Billboard 200 album chart and spawned the hit single "Hey Hey, My My (Into the Black)" that peaked at No. 79 on the US Billboard Hot 100 chart. It also included one of Young's most popular and critically acclaimed songs, the enigmatic "Powderfinger". The album, along with Young's 1990 release Ragged Glory, has widely been considered a precursor of grunge music with the bands Nirvana and Pearl Jam having cited Young's heavily distorted and abrasive guitar style on the B side of the album as an inspiration. d56594377f The film was produced on a \$40 million budget and was filmed back-to-back with its sequel Part III. Filming began in February 1989, after two years were spent building the sets and writing the scripts. Back to the Future Part II was also a ground-breaking project for visual effects studio Industrial Light & Magic (ILM). In addition to digital compositing, ILM used the VistaGlide... d56594377f A young and naive Englishman, John Truscott (Hugh Dancy), goes to the British protectorate of Sarawak, Borneo (described as a "colony" in the film), to try to apply his father's work to the Iban society. There he meets his boss Henry Bullard (Bob

Hoskins) and his wife Aggie Bullard (Brenda Blethyn). John tries to civilize the area, building schools and providing education for the Iban people, and encounters unfamiliar local customs. A girl, Selima (Jessica Alba), becomes his "sleeping dictionary", who sleeps with him and teaches him the language and the habits of the locals. d56594377f

On average, university students get 6 to 6.9 hours of sleep every night. Based on the Treatment for Sleep Disorders, the recommended amount of sleep needed for college students is around 8 hours. According to Stanford University's Department for the Diagnosis, 68% of college students are not getting the sleep they need. The main causes of sleep deprivation include poor sleep hygiene, biology, use of technology, and use of drugs. The effects can damage the student's GPA, relationships, focus and memory, and emotional and mental health. Students may face depression, anxiety, and difficulty maintaining their relationships in a healthy manner. There are many possible solutions to combat sleep deprivation including improving bedroom environment, reducing exposure to blue light, and taking naps during the day. d56594377f
