Wikipedia:Language learning centre/Word list A big list will constantly show you what words you don't know and what you need to work on and is useful for testing yourself. Eventually these words will all be translated into big lists in many different languages and using the words in phrase contexts as a resource. bistable bistro bit bitch

bitches bitchiness bitching bitchy bite bite-sized biter biters bites biting bitingly bitmap bits bitten bitter bitterest bitterly Drawing up a comprehensive list of words in English is important as a reference when learning a language as it will show the equivalent words you need to learn in the other language to achieve fluency. You can use the list to generate your own lists in whatever language you're learning and to test yourself ef572cdce1
