

How To Stop Bladder Spasms Naturally

Wikipedia:Reference desk/Archives/Science/December 2005 Does being cold cause the hypothalamus to reduce ADH production. That appears to be what Mark Bornfeld = December 1 =. passes into the bladder and you urinate more often b1dfb59b0d

Wikipedia:WikiProject Short descriptions/wd/diseases description; to go to their article pages if one wants to add a {{short description}} to override it; or to go to their Wikidata item if one wants to edit it == Explanation == b1dfb59b0d

A list of the different distinct text descriptions currently provided on Wikidata for items in the subtree of disease (Q12136). b1dfb59b0d Which countries have natural fuel resources? b1dfb59b0d == A == b1dfb59b0d == Natural fuel resources == b1dfb59b0d Intoxication can occur naturally as a result of either wound or intestinal infection or by ingesting formed toxin in food. The estimated... b1dfb59b0d See also Wikipedia:WikiProject Short descriptions/wd/diseases-autodesc for items with no description. A machine-generated description is currently shown to mobile users on Wikipedia article for these. b1dfb59b0d == Engineering contractors == b1dfb59b0d == List == b1dfb59b0d

Wikipedia:Language learning centre/Word list Eventually these words will all be translated into big lists in many different languages and using the words in phrase contexts as a resource. sparseness sparser sparsest sparsity sparta spartan spartans spas spasm spasmodic spasmodically spasms spastic spastics spat spate spatial spatially spats spatter Drawing up a comprehensive list of words in English is important as a reference when learning a language as it will show the equivalent words you need to learn in the other language to achieve fluency. A big list will constantly show you what words you don't know and what you need to work on and is useful for testing yourself. You can use the list to generate your own lists in whatever language you're learning and to test yourself b1dfb59b0d

Feline lower urinary tract disease It encompasses around 10 different Feline lower urinary tract disease (FLUTD) is a generic category term to describe any disorder affecting the bladder or urethra of cats. urinary tract disease (FLUTD) is a generic category term to describe any disorder affecting the bladder or urethra of cats b1dfb59b0d

Wikipedia:Reference desk/Archives/Science/2013 February 12 Did her immune system luckily happen to differ such that it naturally knew how to combat the pathogen = February 12 =. attribute is posited to account for her unaffectedness b1dfb59b0d

Botulinum toxin In strongly diluted form, the toxin is also used for medical and cosmetic purposes. The toxin causes the disease botulism. It prevents the release of the neurotransmitter acetylcholine from axon endings at the neuromuscular junction, thus causing flaccid paralysis. Botulinum toxin is an acetylcholine release inhibitor and a neuromuscular blocking agent. Botulinum toxin was developed as a biological agent by the Soviet, United States, and Iraqi biological weapons programs. Similarly, botulinum toxin is used to relax the clenching Botulinum toxin, botulinum neurotoxin, or botox is a neurotoxic protein produced by the bacterium Clostridium botulinum and related species, and it is considered the deadliest known natural substance ever recorded in chemical literature. injury spasticity, spasms of the head and neck, eyelid, vagina, limbs, jaw, and vocal cords b1dfb59b0d

It encompasses around 10 different diseases of the lower urinary tract, all of which can present with very similar symptoms: b1dfb59b0d Use the 'list' link to get the full list of individual items with a particular description. This can be used to verify what sorts of items have been given the description; to go to their article pages if one wants to add a {{short description}} to override it; or to go to their Wikidata item if one wants to edit it there. b1dfb59b0d In 2025, the structure of the complete 14 subunit botulinum neurotoxin complex (L-PTC) was solved. b1dfb59b0d The seven main types of botulinum toxin are named types A to G (A, B, C1, C2, D, E, F and G). New types are occasionally found. Types A and B are capable of causing disease in humans, and are also used commercially and medically. Types C-G are less common. b1dfb59b0d I sometimes hear of "Engineering contractors" and "Engineering consultancies". Is an Engineering contractor in Clvil Engineering basically a construction company? Clover345 (talk) 00:15, 12 February 2013 (UTC) b1dfb59b0d
