iPhone 3GS successor to the iPhone 3G. It was unveiled on June 8, 2009, at the WWDC 2009, which took place at the Moscone Center in San Francisco. It was unveiled on June 8, 2009, at the WWDC 2009, which took place at the Moscone Center in San Francisco. According to Phil Schiller The iPhone 3GS, stylized as iPhone 3G^S, is a smartphone that was developed and marketed by Apple. It is the third generation of the iPhone and the successor to the iPhone 3G 90554ccb41

The iPhone 3GS runs iOS, Apple's mobile operating system. It was succeeded as Apple's flagship smartphone by the iPhone 4 on June 24, 2010. At the same time, the 8 GB model of the iPhone 3GS was released, discontinuing the 16 and 32 GB models. The 8 GB 3GS continued in production until September 2012, when it was discontinued with the announcement and release of the iPhone 5. 90554ccb41

iPhone As of July 2025, more than 3 billion iPhones have been sold. Apple has been the largest vendor of mobile phones since 2023. The first-generation iPhone was announced by then-Apple CEO and co-founder Steve Jobs on January 9, 2007, at Macworld 2007, and first launched in June 2007. Since then, Apple has annually released new iPhone models and iOS versions; the latest models are the iPhone 17, the higher-end iPhone 17 Pro and 17 Pro Max, the thinner iPhone Air, and the entry-level iPhone 17e. many accessibility features. Up to the iPhone 8 and 8 Plus, iPhones had a single button on the front panel, with the iPhone 5s and later integrating a Touch The iPhone is a line of smartphones developed and marketed by Apple that run iOS, the company's own mobile operating system 90554ccb41

In the early 2000s, the success of Apple's iPod, which dominated the digital music player market, prompted speculation among analysts about Apple's potential expansion into other portable devices, including a mobile phone. Jean-Marie Hullot, a senior software engineer who worked at

NeXT and later Apple, said he urged CEO Steve Jobs to launch a mobile phone project in 2000. 90554ccb41 An example is an adapter that converts the interface of a Document Object Model of an XML document into a tree structure that can be displayed. 90554ccb41 An official project within Apple for developing the iPhone began with a request on November 7, 2004, from Jobs to the company's hardware engineer Tony Fadell, software engineer Scott Forstall and design engineer Sir Jonathan Ive to work on the highly confidential "Project Purple". However, Jobs noted in his announcement keynote for the first iPhone that he had been looking forward to it for two and a half years, suggesting that the project began in mid-2004. 90554ccb41 The iPhone 5c was the last new iPhone to be sold at a lower price than the flagship iPhone until the release of the... 90554ccb41 The iPhone 7's overall design is similar to the iPhone 6 and iPhone 6S. Changes introduced included new color options (Matte Black and Jet Black), water and dust resistance, a new capacitive, static home button, revised antenna bands, larger back camera, and the controversial removal of the 3.5 mm headphone jack. The device's internal hardware received upgrades, including a heterogeneous quad-core system-on-chip with improved system and graphics performance, upgraded... 90554ccb41 == Conception and initial development == 90554ccb41 The iPhone 3GS was released on June 19, 2009, in the United States, Canada, France, Germany, Italy... 90554ccb41 Development of the iPhone began in 2005 and continued in secrecy until its public unveiling at Macworld 2007. The device broke with prevailing mobile phone designs by eliminating most physical hardware buttons, and relying on a finger-friendly touchscreen interface that did not need a stylus. The iPhone featured quad-band GSM cellular connectivity with GPRS and EDGE support for data transfer, and it used continuous internet access and onboard processing to support features unrelated to voice communication. 90554ccb41

iPhone 6s They are the ninth generation of the iPhone. announcement of the iPhone XS, iPhone XS Max, and iPhone XR on September 12, 2018. They were announced on September 9, 2015, at the
