Barbados's total land area is 439 km<sup>2</sup> (169.5 sq mi), and it has a coastline of 97 km (60 mi) length. The island is sometimes... d389d931a9 An English ship, the Olive Blossom, arrived in Barbados on 14 May 1625; its men took possession of the island in the name of King James I. In 1627, the first permanent settlers arrived from England, and Barbados became an English and later British colony. During this period... d389d931a9 Inhabited by Kalinago people since the 13th century, and prior to that by other Indigenous peoples, the island was originally named Ichirouganaim. It was claimed for the Crown of Castile by Spanish navigators in the late 15th century, who named it "Barbudos", and it first appeared on a Spanish map in 1511. The Portuguese Empire claimed the island between 1532 and 1536, but abandoned it in 1620 with their only remnants being the introduction of wild boars intended as a supply of meat whenever the island was visited. The indigenous population was mostly sold into slavery, killed or died of disease by this time. d389d931a9
