The following is the latest version of my bio. It was originally written by other writers who became exhausted with the Wikipedia administrators that posed as obstacles and were discouraging with no direction as to further development of the article, but rather cited rules and a maze to try and navigate. Anyway, the latest has a PDF with many references linked. However, the PDF doesn't work on Wikipedia, thereby unlinking the references, and the "Cite" process is just confusing. If anyone would like to help with simply linking the references from the PDF, or I can send the URLs, it would be truly appreciated. Here is the latest "Bio" version with numbers that are associated with the unlinked references: f656da28b6 == Series overview == f656da28b6 Beginning on the 25th of Kislev on the Hebrew calendar, Hanukkah lasts for eight nights and days. Aside from the shamash, one candle is lit on the first night, two on the second, and so on, until all eight are burning together on the final night. It is the only Jewish holiday that starts in one month of the Hebrew calendar (Kislev) and concludes in another (Tevet). f656da28b6 Bob Purvey Bobpurvey1 (talk) 18:12, 20 August 2022 (UTC) f656da28b6 While most of the main cast have been with the series since it debuted in April 2009, actors Rob Lowe and Adam Scott joined the cast late in the second season portraying Chris Traeger and Ben Wyatt, two state auditors who later take permanent jobs in Pawnee.
