How Come U Don't Call Me Anymore? " is a song by American musician Prince. It is a ballad of romantic longing with some gospel elements. It really came out well. On his original recording of the song, which was released as the non-album B-side to his 1982 single "1999", Prince performs most of the song in his falsetto range, with his own bluesy piano playing providing the only instrumental accompaniment. Prince also performs the song on his 2002 live album One Nite Alone. It is so raw and so truthful – I was just feeling it. It was later included on the soundtrack to the 1996 film Girl 6. it every day for three weeks. The song's first album appearance was on his 1993 compilation The Hits/The B-Sides.
