

Wake Up Feeling Tired

Although the base language of the novel is English, it is an English that Joyce modified by combining and altering words from many languages into his own distinctive idiom. Some commentators believe this technique was Joyce's attempt to reproduce the way that memories, people, and places are mixed together and transformed in a dreaming or half-awakened state.

Physical fatigue results from muscle fatigue brought about by intense physical activity. Mental fatigue results from prolonged periods of cognitive activity which impairs cognitive ability, can manifest as sleepiness, lethargy, or directed attention fatigue, and can also impair physical performance. Moroder had been asked to score the film, and Cara and Forsey wrote most of the lyrics after they were shown the last scene, in which the main character dances at an audition for a group of judges. They felt that the dancer's ambition to succeed could act as a metaphor for achieving any dream a person has and wrote lyrics that described what it feels like when music inspires someone to dance. The song was used for that scene as well as during the opening credits. In January 2017, YG Entertainment announced that Taeyang is working on his new album, alongside solo concerts.
