The song was recorded at Sarm West Studios, in London, while the mixing of the track was finished at The Hit Factory studio in New York City. Sound engineer Demo Castellon first worked on the vocals and then on the beats, while the synths were composed by Timbaland and Danja. An uptempo dance-pop song with an urban and hip hop style, "4 Minutes" incorporates Timbaland's characteristic bhangra beats and the instrumentation used in the song includes brass, foghorns and cowbells. The lyrics carry a message of social awareness, inspired by Madonna's visit to Africa and the human suffering she witnessed. f25499fd99 In 1962, Hap Dumont, head of the semi-pro National

Baseball Congress, commissioned the Timex Corporation to build a clock to install in the scoreboard at Lawrence Stadium in Wichita, Kansas for the NBC National Tournament, with a 20 second pitch clock and 90 seconds between innings. The clock buzzed when the timer went off, with a ball called if the pitcher violated and a strike if the batter violated the timer. In 1965, Dumont predicted Major League Baseball would use the NBC electronic timer in two years. The timer has been used for the NBC World Series in Wichita ever since. f25499fd99
