Supporters maintained in turn that media consolidation has become the greater threat to freedom of the press in Argentina and elsewhere in Latin America, and that measures such those abolishing media laws dating from the country's last dictatorship and rescinding criminal penalties for defamation and libel of the president, promote freedom of expression. d10fdcda9e The president and most of her cabinet increasingly avoided press conferences and interviews with independent media, relying instead on Twitter, press statements, and public service announcements to communicate with the populace. Large media groups, particularly the Clarín Group, in turn opposed anti-trust laws enacted during her administration. d10fdcda9e == Performers == d10fdcda9e
