The site was founded in 1999 by Peckham while he was a freshman computer science major at California Polytechnic State University, San Luis Obispo. He launched the site to compare urban slang used by university students in different parts of California. He had previously created a spoof version of the Ask Jeeves web search engine while studying at Cal Poly but closed the website after he received an infringement letter. He created Urban Dictionary initially as a parody of actual dictionaries, which he thought tended to be "stuffy" and "take themselves too seriously".... 42efdb6c6f == History == 42efdb6c6f == # == 42efdb6c6f The opening theme of the podcast... 42efdb6c6f

== Early life == Episodes explore real and imagined horror, with a typical runtime of one to two hours. The show releases two episodes weekly: a main episode and a side story episode. Each episode is about an hour in duration and generally starts with a firsthand account of someone affected by the disease. After that, the hosts create a mixed drink that is connected to the disease, called a 'Quarantini', in a segment known as 'Quarantini time'. After this introduction, the biology of the disease is explained, then history, epidemiology, and finally, the disease's effect on the modern world. Generally, Welsh tells the history of the disease and Updyke explains the biology epidemiology. Finally, the hosts cite the sources used to present the information, and supply a link to their website...
