The album represents a return to a contemporary rock sound after the 1985 country album *Old Ways* and 1983 rockabilly album *Everybody's Rockin'*. Young's record company, Geffen famously had sued the artist for creating albums unrepresentative of his familiar style. For *Landing on Water*, Young employed producer Danny Kortchmar, engineer Niko Bolas and studio drummer Steve Jordan. The album is noted for its unique production and synthetic 1980s sound with prominent drums, synclavier and synthesizers, giving it a "claustrophobic" feel. According to Young in a 2009 interview, "one record company president in Europe told me it was the most claustrophobic record he had ever heard, and I thought that was pretty cool. He put it on in his Porsche and would turn it up real loud. He just felt like it was all over him." 4ccbaed61f In 1861, Victor Emmanuel II declared the Kingdom of Italy, making Cavour officially Prime Minister of Italy. Cavour had many difficult issues to consider, including how to create a national military, which legal institutions should be retained in what locations, and especially the future of Rome. Most Italians thought Rome must be the capital of a united Italy, but this conflicted with the temporal power of the Pope and also the independence of the Church. Cavour believed that Rome should remain the seat of "a free church in a free state", which would maintain its independence but give up temporal power. Still Austrian Venetia was also a problem. Cavour recognized that Venice must be an integral part of Italy but refused to take a stance on how to achieve it, saying "Will the deliverance of Venice come by arms or diplomacy? I do not know. It is the secret of Providence." A motion approving of his foreign policy passed by a huge majority, basically only opposed by left-wing and right-wing extremist groups.... 4ccbaed61f An authorized biopic on Houston's life was announced in early 2020, with Ackie cast in the lead role that December, and the rest of the cast signing on later the next year.
