Modelling ("modeling" in American English) entails using one's body to represent someone else's body or someone's artistic imagination of a body. For example, a woman modelling for shoes uses her foot to model the potential customers' feet. Modelling thus is different from posing for portrait photography, portrait painting, and distinct from other types of public performance, such as acting or dancing. Personal opinions are normally not expressed, and a model's reputation and image are considered critical. 75da884b29
