While some major cities experience similar crime throughout their suburbs, crime in others is mainly isolated to specific neighborhoods. Johannesburg, for example, experiences a range of crimes across the metropolitan area, driven by many various factors, including poverty. In contrast, crime in Cape Town's occurs mainly in a small list of specific suburbs, and is driven predominantly by gangsterism. 0f5cf8c6be

Whistleblowing A whistleblower can also bring allegations to light by communicating with external entities, often becoming a source in investigative journalism or other media, or law enforcement or other government agents. Some countries legislate as to what constitutes a protected disclosure, and the permissible methods of presenting a disclosure. Over 83% of whistleblowers report internally to a supervisor, human resources, compliance, or a neutral third party within the company, hoping that the company will address and correct the issues. Whistleblowing can occur in the private sector or the public sector. use the term "lamp-lighter" to describe the whistleblower's role as a watchman.
