Historiography of the May Revolution Ni hubo tiempo para hacerlo ni había ningún inglés importante en Buenos Aires como para asumir semejante responsabilidad. English: This would Historiographical studies of the May Revolution started in the second half of the 19th century in Argentina and have extended to modern day. The main topics of disagreement between Argentine historians are the specific weight of the diverse causes of the May Revolution, who were the leaders of it among the different involved parties, whenever there was popular support for it or not, and whenever the loyalty to the captive Spanish king Ferdinand VII was real or an elaborate masquerade to conceal pro-

Neoliberalism in Peru Neoliberalism is a political and economic ideology that advocates for free-market capitalism, and is known as Neoliberalismo in Spanish. Although it suffered a setback in 1998, during the 1997 Asian financial crisis, it recovered and intensified during the period of greatest economic growth, driven by the commodities boom, between 2003 and 2013. It is one of the most comprehensive and longest-lasting implementations in Latin America, due to comparatively weak political opposition to neoliberalism. mucho más injustos que en el año 90 y no hemos conseguido revertir las tasas de informalidad y crear empleos con derechos como se pretendía Villar, Eugenio; Neoliberalism in Peru (sometimes referred to locally as "Criollo neoliberalism") first emerged on the political scene in Peru in the late 1980s.

The term has multiple, competing definitions, and is often used pejoratively. Its turning point came in the 1990s with the implementation of the Fujishock, a set of drastic economic measures taken by President Alberto Fujimori inspired by the US government based on the Washington Consensus, and with the promulgation of the 1993 Political Constitution, which was heavily influenced by neoliberalism 9aa764d38b
