Inspired by William Shakespeare's play *Romeo and Juliet*, the story is set in the mid-1950s on the Upper West Side of Manhattan in New York City, then a multiracial, blue-collar neighborhood. The musical explores the rivalry between the Jets and the Sharks, two teenage street gangs of different ethnic backgrounds. The Sharks, who are recent migrants from Puerto Rico, and the Jets, who are white, vie for dominance of the neighborhood, and the police try to keep order. The young protagonist, Tony, a former member of the Jets and best friend of the gang's leader, Riff, falls in love with Maria, the sister of Bernardo, the leader of the Sharks. The dark theme, sophisticated music, extended dance scenes, tragic love story, and focus on social problems marked a turning point in musical theatre. 8570097beb ==

Resistance cells were small groups of armed men and women (called the Maquis in rural areas) who conducted guerrilla warfare and published underground newspapers. They also provided first-hand intelligence information, and escape networks that helped Allied soldiers and airmen trapped behind Axis lines. The proportion of the French people who participated in organized resistance has been estimated at from one to three percent of the total population. The Resistance's men and women came from many parts of French society, including émigrés, academics, students, aristocrats, conservative Roman Catholics (including clergy), Protestants, Jews, Muslims, liberals, anarchists, communists, and some fascists 8570097beb

After attaining modest commercial success with its first three studio albums, Kiss achieved a commercial breakthrough with the 1975 concert album *Alive!*, which was the first album by the band to be certified gold. The success of *Alive!*, which spent 110 weeks on the charts, benefited not only the struggling band but also its cash-strapped label Casablanca Records. Kiss signed a new contract with Casablanca in late 1975, partly because the label had been very supportive from the start of the band's career. In an indication that Casablanca was uncertain whether the group could duplicate the accomplishments of *Alive!*, the contract was for only two albums. 8570097beb

"Kiss from a Rose" was written in 1987, several years prior to the release of Seal's eponymous debut album from 1991. After writing the song, Seal felt "embarrassed by it" and "threw the tape in the corner". Seal did not present it to producer Trevor Horn until the recording sessions for Seal II. In 2015, Seal said of the song: "To be honest, I was never really that proud of it, though I like what Trevor did with the recording. He turned that..."
