== Taxonomy == The act consists of 103 clauses, extends 106 central laws to the union territories, repeals 153 state laws, and abolishes the Jammu and Kashmir Legislative Council, among other things. The introduction of the bill was preceded by a presidential order which indirectly amended Article 370 of the Indian constitution and revoked Jammu and Kashmir's special status. The act has also given powers to the central government to pass a number of executive orders in relation to both the union territories. These orders have resulted in the modification or repeal of over 400 state and central laws with respect to the union territories. The act was challenged in the Supreme Court through a number... In a series of crimes that terrorized Wichita in the mid-to-late 1970s, Rader also initiated a series of taunting letters sent to police and media outlets, describing his crimes in detail and referring to himself as "BTK". In addition, he stole keepsakes from his female victims, including underwear, driver's licenses and personal items. In 1979, BTK suddenly went quiet, and despite an exhaustive investigation, the case grew into one of the most infamous cold cases in American history. Rader would later confess to killing three further victims between 1985 and 1991 that were not initially linked to BTK but were confirmed to be his doing through DNA and items found in his... == Morphology ==
