Smile It is distinct from a similar but usually involuntary expression of anxiety known as a grimace. Smiles can not only be seen but heard when people talk. A smile is a facial expression formed primarily by flexing the muscles at the sides of the mouth. Although cross-cultural studies have shown that smiling is a means of communication throughout the world, there are large differences among different cultures, religions, and societies, with some

using smiles to convey confusion, embarrassment, or awkwardness. Some smiles include a contraction of the muscles at A smile is a facial expression formed primarily by flexing the muscles at the sides of the mouth. Among humans, a smile expresses delight, sociability, happiness, joy, or amusement. Some smiles include a contraction of the muscles at the corner of the eyes, an action known as a Duchenne smile 65c46be0ca

SmileTV SmileTV is a range of British television channels owned by the Cellcast Group that broadcast various premium-rate telephone chat-line services. Square 65c46be0ca

Primatologist Signe Preuschoft traces the smile back over 30 million years of evolution to a "fear grin" stemming from monkeys and apes, who often used bare clenched teeth to portray to predators that they were harmless or to signal submission to more dominant group members. The smile may have evolved differently among species, especially among humans. 65c46be0ca

Smile.dk dk or Smile-dk, pronounced Smile D-K) or Smile is a Swedish Eurodance act with Veronica Almqvist as the
